That Time of All Times--
When He Is Out of the Water

You've hooked a good one and he breaks water—then is when you want to have tackle you can depend upon. If there is a single weak spot it will show then—and your fish will be gone. The safe way is to buy the best Tackle.

GOOD
FENCES
Are a Part of
GOOD
FARMS

Just as you can tell a prosperous business by the buildings, so you can tell a good farm by its Fences. And for long service, neat appearance and strength a Woven Wire Fence is unsurpassed.

For The Handy Man:

Every day in the week a good Chest of Tools will prove handy in doing some odd job around home—and the money you save will soon pay more than the cost.
