

Parents Attention!!

Are You Raising Your Children Up To Be Spendthrifts or Are They Saving Their Money?

You Are Responsible For Their Future. Encourage Them to Be Thrifty.

The Great Advantage of Saving While Young is Not the Money Itself But the Habit Which is Being acquired, and it is in the Youth That Many of Our Habits Are Formed Which Remain With Us Throughout Our Life.

Set An Example For Your Children by Starting a Bank Account of Your Own and Then Help Them to Start One with:
