**CAMP LIFE "IN THE LAND OF WATERFALLS"**

Among the chief natural advantages of Transylvania County, in the immediate vicinity of Brevard is its facilities for the location of summer Camp Schools for boys and girls. More than any other spot in all of "Opportunity's Empire, the Land of the Sky," has the Brevard section been favored in the selection of these camps, which are of the highest grade and conducted in a most efficient and satisfactory manner. Each year sees some of the established camps growing in size and popularity, while not infrequently new institutions spring up to join the ranks of those who have been most successful in this commendable enterprise.

Not only does Brevard possess camps which give the boys and girls the opportunity of enjoying the pleasures and benefits of an outdoor life with boating, bathing, canoeing and other water sports, in addition to the "hikes" to the nearby mountain peaks and also the educational facilities of the camps, but it offers to the parents the happy combination of spending the summer near their boys and girls; for while the children are in the camps, the parents are enjoying the pleasures of the hotel or boarding house at which they may be staying, and at the same time are relieved of the responsibility of looking after their lively offspring.

This year the following camps will open during this month:

Camp Transylvania, Mr. J. A. Miller, Brevard, N. C.; Camp Sapphire, Mr. Wm. McK. Fetzler, Chapel Hill, N. C.; Camp Illahee, Mr. Hinton McLeod, Brevard, N. C.; Camp French Broad, Major Henry E. Raines, Charleston, S. C.; Merrie Wood, Mrs. Jonathan Day, New York, N. Y.; Keystone Camp, Miss Fannie Holt, Jacksonville, Fla.; Rockbrook Camp, Mrs. H. N. Carrier, Brevard, N. C.; Camp Brevard, Mrs. Luella Gibson Joiner, Montevallo, Ala.; Ivy Hill Camp, Miss Mary McPhail Davis, Pisgah Forest, N. C.; Girls Camp, Miss S. J. Davis, Greenville, S. C.; Camp Conestee Cove for Girls, Mrs. S. C. Morris, Brevard, N. C.; Camp Carolina, R. H. Morrow, Brevard, N. C.

**A GOOD COUNTY TO LIVE IN**

Transylvania is not thickly populated; in fact, there are less than ten thousand inhabitants in the whole county. Of course this is greatly increased by the tourists in summer months.

However, with the rapid developments in the way of building, farm improvements, good roads, state maintained, etc., this county will be overflowing in a few years with immigrants from all sections of the country. The 1921 tax assessment per inhabitant for Transylvania county was \$9.27. Real estate in this county is very low in price and no doubt will double in value in less than a year.

**MR. GRIST ASSUMES A HEAVY RESPONSIBILITY**

A second state primary must be held because one of the candidates has demanded it. Paradoxically enough, the person who is willing to inflict the cost and inconveniences of a second election on this politics-shocked state is seeking one of the least remunerative and exalted of state offices.

The candidate who shoulders this huge responsibility in such an insignificant cause is FRANK D. GRIST.

The office to which he aspires so covetously is that of Commissioner of Labor and Printing. He was outdistanced in the first primary by the present incumbent, M. L. SHIPMAN who received a plurality of 12,000. Only 50,000 votes out of a total of 200,000 were cast for the other candidates in the race.

The runners-up in the other contests which failed to show majorities refused to call a second primary. The fact that the expense and discomfort of another election is to be visited upon the people of North Carolina is due solely to Mr. Grist and his inexplicable ambitions.

The office of Commissioner of Labor and Printing carries with it certain responsibilities but it is not important enough in the governmental scheme of things to warrant a second primary. The state would make a good bargain if it could abolish the office in return for immunity from a second primary.

Mr. Grist, we suspect, will be cruelly punished for his hardihood. Candidates who call second primaries lightly do not fare well with public opinion. His action will insure to Mr. SHIPMAN a decisive majority.

position available in his department to Lieutenant G. Fred Hale, and has since given preference to service men in all placement work. His present chief clerk is Mr. J. G. McIntyre, a Legionnaire in good standing. Employment superintendents in the State have had instructions from the outset to give preference to service men in placement work, and hundreds of them have found lucrative positions through this agency.

In his files are letters from prominent Legion officials, including one from a former State Adjutant and present National Committeeman of the American Legion, thanking him for his work in behalf of unemployed veterans and complimenting him on the good work that was being accomplished in this direction. Employment offices are now in operation in Asheville, Charlotte, Greensboro, Raleigh, Wilmington, and Winston Salem, for which Mr. Shipman is entitled to full measure of credit.

This is the type of citizen, and official his home-folks offer for the consideration of the Democratic voters of North Carolina when they come to make their choice of a candidate for Commissioner of Labor and Printing on Saturday, July 5th THE ONLY ENTRANT FOR A STATE OFFICE FROM THAT WIDE EXPANSE OF TERRITORY LYING WEST OF THE BLUE RIDGE; a man who received his education in the university of hard knocks; a public servant who has proven himself capable in every way and true to every trust.

**THEY ARE AFTER SHIPMAN'S SCALP**

(From Northhampton Progress)

It is going to take forty thousand dollars of your money to convince Mr. F. D. Grist that he has been defeated.

Mr. Grist is the only man on the State ticket who is demanding a second primary, and he ran several thousand votes behind Shipman, the incumbent.

Do any of you voters in Northhampton County believe that Mr. Grist's services will be worth forty thousand dollars more to the State than will Mr. Shipman's?

If not, then are you willing to put up that much money to gratify one man's ambition?

Now, all you voters who are willing to pay that enormous amount of money in order to defeat Shipman, etc., on the 5th of July and vote for Grist. He will be an expensive man, but there is nothing like getting political satisfaction, even though you do have to pay for it.

The trouble with Shipman is that he demands a dollars worth of value for every dollar his department pays out, and if you had a few more public servants like that your taxes would soon be reduced to a point where you would hardly feel them.

But that disagreeable policy of Shipman's is contrary to the interest of certain gentlemen, so they are after his scalp. They have gathered easy money from the State before Shipman's day, and it is hard for them to understand that the ban is placed on shoddy work; that they must deal honestly with the State in so far as the Department of Labor and Printing is concerned.

So it remains to be seen whether or not economy, efficiency, and honest merit are appreciated by the people.

Give Shipman a vote of thanks for his stand, and try to get more like him to fill your public offices.

It will pay you.
