

Prestige

Prestige in a business man—and in a bank—is the fruit of a definite policy, proved over a period of years to be fair, wise and successful.

The policy of this Bank is to protect and build up the interests of its patrons. Our regular customers have first call upon the resources of the bank. We are content to increase our list of commercial accounts gradually, with the assurance that we can care for them thoroughly and hold them long.

Summer Hints

For Young Mothers

ACUTE INDIGESTION IS A FOOD PROBLEM

It is hard on a child to suffer indigestion in summer.

Usually there is fever and vomiting, apt to be very prostrating.

One way to prevent such attacks is to see to it that the child does not eat heavily when over-tired.

Often the trouble may be traced to improper food, which should be stopped immediately.

As for treatment, do not forget that in indigestion, the organs have quit operating, and the bowel is full of undigested food.

Don't worry about the stomach—it will empty itself. But give a good clearing out treatment. Liv-o-lax will do the work thoroughly.

Then put the child on a very light diet for a few days.

You can get a good-sized bottle of Liv-o-lax at the drug store for 30c.
