

Athletic games are won not by individual effort, but by the combined efforts of every man on the team—team work.

Each one has his own part to do—he does it with every ounce of strength and every whit of intelligence he possesses. Enthusiasm and determination mark his play.

Communities grow and prosper not as a result of individual effort, but through the combined efforts of every man, woman and child in that community.

We are all anxious to see this, our home community, the center of commercial and social activity for this region.

It can be an accomplished fact—if we all work together to put it over. Coöperative determination—team work—will get results. Let's play the game to win.

One large manufacturing industry with a steady year-round payrolls means more to the growth of our population than all the transients visitors put together.

How many people in Transylvania County know that the Thermal Belt passes through Little River Township, 7 Miles from Brevard?
