**Height All May Achieve**

All the possible charities of life  
ought to be cultivated, and where we  
can neither be brethren nor friends  
let us be kind neighbors and pleasant  
acquaintances.

**Can a Cake  
Walk?**

No—but the men folk  
can make it disappear  
quickly—especially if  
made with Snow King  
Baking Powder.

**Fruit to Be Avoided**

The fruit of the choke cherry  
generally inedible, although not  
then a large-fruited variety is  
that is fit for eating. The leaf  
the common choke cherry  
prussic acid and both fresh and  
leaves are poisonous.

**Georgia Lady, Who Had Lost  
Much Weight, Was Advised  
to Take Cardui and Is  
Now Well.**

Columbus, Ga.—Mrs. Georgia  
Hunter, of this city, writes:

"After I married, thirteen years  
ago, I suffered with dreadful  
in my sides during ... My  
hurt so bad it nearly killed me.  
had to go to bed and stay  
times two weeks at a time.  
could not work and I just drifted  
around the house.

"I got very thin—I went from 125  
pounds down to less than 100. My  
mother had long been a user of  
Cardui and she knew what a good  
medicine it was for this trouble, so  
she told me to get some and take it.  
I sent to the store after it and be-  
fore I had taken the first bottle  
I began to improve.

"My side hurt less and I began to  
improve in health. ... The Cardui  
acted as a fine tonic and I do not  
feel like the same person. I am  
so much better. I am well now.  
I have gained ten pounds and am  
still gaining. My sides do not  
trouble me at all.

"I wish every suffering woman  
knew about Cardui." NC-160
