**DOMANEY - SAPPHIRE**

All the wonderful things that happen are not fiction. We have a lady mail carrier, Mrs. V. L. Norton has been acting as carrier on the route from Oakland to Namur. Here's the remedy for the shortage in mail carriers.

Our trapper neighbors have been successful this season. Mr. Ralph Hinkle has taken four fine mink pelts, and Mr. W. E. Head's trophies are a fox, a large wild cat, a mink, and an o'possum. Mr. B. C. Nicholson has proven to be the luckiest hunter of the season. He brought down the largest four point buck, while hunting on the land of Mr. G. H. Alexander, that has been seen here in years. He, as well as several of his neighbors, had venison for Christmas.

Mr. Johnson, of Georgia, has moved a saw mill on the Gennett property on Thompson River and will soon begin the manufacture of the timber there. This is one of the finest boundaries of poplar and white pine timber in Transylvania County, and will give employment to a considerable number of men.

Mr. Walter Hinkle has added a modern stove flue to his attractive home. Mr. Coleman Lyda and Mr. Doyle Kinsey have been making preparations for the winter by building a wood shed each.
