If you will go, you will find a hearty welcome awaiting you.

Penny Wise and Pound Foolish

Man's faculty of reasoning gives him his power over all other living creatures. He can put two and two together and make four.

He can form conclusions from past experiences and choose his course of action accordingly. The beast cannot. The mouse nibbles the cheese in the trap; the lion attacks the hunter. Man alone is able to sacrifice a small present gain to a larger future one!
