WEEKLY MARKET NOTLS

Raleigh, N. C., Feb. 18.—Following up the work done last fall, when around 2,000 head of cattle were placed on the farms of Western North Carolina, Virginia and South Carolina, the State Division of Markets is now helping the feeders to sell these cattle. The work is under the direct supervision of Mr. T. L. Gwyn, who has had practical experience in marketing cattle. If there are others in the State who desire assistance in selling their cattle, a letter to the Division of Markets, N. C. Dept. of Agriculture, Raleigh, N. C., will receive prompt attention.

BLANTYRE BREEZES

Miss Mattie Hamilton visited her cousins, Misses Jewel and Azlee ... last Monday night. Misses Lillian and Rephella Scott attended the singing last Sunday at ... Miss Rosie Brewer, of Blantyre, visited friends at Pisgah Forest Sunday. Miss Maudie Sparks, who is attending our school, visited her parents, Mr. and Mrs. W. M. Sparks, last week-end. The boys and girls of this place are very sorry that school will soon be out.

TOXAWAY NEWS

Mr. Roy McCall spent the week-end visiting relatives in Gloucester. Mr. Dock Gravely, who has been working for some time in this community, has returned to his home in Brevard. Mr. Ben Owen and family went to Selma Sunday, to visit Mrs. Owen's father, who has been very ill with pneumonia. The people of Toxaway are getting tired of carrying water up and down hills, as has been proven by the number of wells being dug by Mr. C. J. Lee in the last month. He is now preparing to dig one for Mr. C. R. McNeely, and then expects to dig one for Mr. Walt Reid. Mr. Dock Moody and family are visiting Mr. Moody's parents, Mr. and Mrs. G. H. Moody, in Wallula, S. C. Robert Hall had the misfortune to break his arm one day last week, while cranking a truck. Mrs. James Jones, who has been ill for some time, is improving. Mr. Jack Fisher, of Marion, N. C., spent the week-end with friends in Toxaway. The primary pupils of Toxaway school entertained the school on Friday afternoon with a Valentine program, which was thoroughly enjoyed by all present. This paper carries the timely farm news and information sent out by the Extension Division of State College.

Ford
Confidence in Ford Performance
The owner of a Ford is never in doubt as to what he can expect in service. He knows what his car will do and how sturdily it will do it.
When bad weather and roads put other cars out of commission, the Ford car will stay on the job. It will carry through slush and snow, over frozen ruts, newly constructed roads—anywhere.
Yet Ford benefits can be yours for the lowest prices ever offered. This is made possible by the efficiency of Ford manufacture, the volume of output and practically limitless resources.

WHY have there been 23 homes built and remodeled in Transylvania County in the past year? Because the Building & Loan Association makes it possible for homes to be built at the cost you would pay for rent.
WHY has the Association paid out in profits \$5,817.24 within the past year? Because it is in a healthy condition and managed on an economical, business-like, profit-saving basis with the assurance of good dividends.
WHY has the present series been one of the best in the history of the Association? Because more people are recognizing that Building & Loan is a good investment, encourages systematic savings and is one of your best financial friends when you decide to build a home.
ALL these questions are simple and easy to answer, aren't they? Of course.
WELL then why are you not carrying BUILDING & LOAN, or why don't you carry more? That's the simplest question of all. You just haven't learned quite enough about Building & Loan methods, come in and let us tell you all about them.
COME IN AT ONCE FOR THE NEXT SERIES OPENS SOON,
