**BLANTYRE BREEZES**

Uncle Ben Frady had the misfortune of breaking his leg recently while in the forest getting wood. He was carried to his home near here and a physician was called, who set the fracture.

Mrs. C. T. Sims visited Mrs. John Reed Monday.

We are glad to know that Mr. Otho Scott has sufficiently recovered from pneumonia to be able to drive a car.

Miss Reba Norman visited Mrs. R. V. Duncan Monday.

Masters William and Winbern Gash visited Willie Frady, Saturday. Miss Sadie Reed, who is attending the Davidson River school, spent the week-end with her parents near here. Miss Belle Simpson of Balfour, was recently married to Mr. Homer Ledbetter of Hendersonville. Both the young people were former residents of this community, and their many friends here wish them a long and happy life.

Quite a number attended the meeting of the Poultry Club last week. There was a musical at the home of Mr. John Brown last Saturday night. All present enjoyed the occasion very much.

**BEST CLOVER SEED ALWAYS CHEAPEST**

Raleigh, N. C., April 1st. The best grade of clover seed sells at a higher rate than the poorer grades, but one pays less for each pound of viable seed when the best is bought.

"The term, a bushel of clover seed, is very indefinite unless you know the percentage of purity, the percentage of germination, the kind of weed seeds it contains and where it was grown", says E. C. Blair, extension agronomist for the State College of Agriculture. "The purest sample of clover seed ever grown is no good if it will not germinate; seed that will germinate one hundred per cent are costly if they are trashy and full of troublesome weed seeds. Field tests have shown that clover seed grown in the nited State will survive our winters better than those grown in foreign countries.

Mr. Blair states that the North Carolina Seed Laboratory has set 98 percent as the standard of purity and 90 percent as the standard of germination. Samples received at this laboratory last year ranged from 45.8 to 99.9 percent in purity and from 6 to 98 percent in germination.

"A comparison was recently made of six good samples of American-grown red clover seed," said Mr. Blair. "The results of the tests showed that the best seed was the cheapest because the purchaser secured a larger number of viable seed for his money as compared to cheaper seed which were low in germination, trashy and full of weed seeds."

**SUNDAY SCHOOL WORKERS OF STATE TO MEET IN GREENSBORO APRIL 28-30**

On April 28, 29 and 30, Greensboro is to be host to a large number of Sunday School workers from all parts of the State, representing all evangelical denominations, who will be in attendance upon the annual convention of the North Carolina Sunday School Association. The committee in charge of the arrangements are of the opinion that this will be the biggest and best Sunday School convention held in the State in recent years. Through the committee on arrangements, it has been announced that free lodging and breakfast will be furnished all delegates to the convention.

The program committee have announced that the program has been planned with the view of making it possible for all Sunday School teachers and officers to get practical help for their work. There will be general sessions each morning and evening, when topics of interest to all Sunday School workers will be discussed. The afternoon sessions will be devoted to special departmental conferences which will deal with the problems of all departments of the modern Sunday School.

Take good care of the young pigs this year, they will likely be worth real money next spring. Records show that about half of the pigs farrowed die before being weaned, say swine specialists of State College.

**Uneasy Tight Feeling**

"I used Theford's Black-Draught first for constipation," said Mrs. C. E. Buntin, of R. F. D. 5, Starkville, Miss. "I would feel dull, stupid, and have severe headaches, even feverish. I had an uneasy, tight feeling in my stomach. I read quite a bit about

**BLACK-DRAUGHT Liver Medicine**

I began using it and soon my bowels acted regularly and I was greatly relieved. I used it every once in a while for about 18 years.

"About two years ago I found I was having indigestion, a tight smothering in my chest, then severe pain, especially after eating sweets. I commenced taking just a pinch of Black-Draught after meals, and by doing this I could eat anything.

"I gave Black-Draught to my children for colds and headaches. I can certainly recommend it."

Black-Draught is used, with satisfaction, by millions. Get Theford's. Sold Everywhere.

**PISGAH FOREST**

First, we wish to give everybody a hearty invitation to attend all services possible at the revival which started at the Baptist church Sunday night. If you are a Christian, come, we need your help—if you are not, come, you need Christ.

Miss Jessie Mackey, who underwent an operation for appendicitis at Brevard Hospital, is getting along nicely and is expected home soon.

Mr. W. Y. Proffit of Yancey County, who has been boarding with Mr. C. E. Campfield of this place, for the past two months, returned to his home Monday to begin his spring work.

Miss Edith Thrift, formerly of this section, but now of Shelby, visited Miss Myrtle Frady last Sunday night. Miss Emma Mackey spent Sunday afternoon with Miss Gertrude Campfield. They also visited Miss Jessie Mackey during the afternoon at the Brevard Hospital.

We were all sorry to learn of the death of Mrs. Perry Townsend, of Glade Creek, some few days ago.

We, of the Davidson River school, wish to extend a hearty welcome to everybody to attend our Commencement at Davidson River school house, Friday and Saturday, April 24-25. A play will be given on the last night, "A Fortunate Calamity."

The first night there will be an entertaining feature by the primary grades.

We wish to welcome all the new members, who have been coming to our Sunday School and want to say "Keep it up and bring someone with you."

So many have been gone from us the past winter that we have been lonely, but cheer up, Spring is coming. Let's make a cheery season of it.

**2-A GRADE DELIGHTS SCHOOL WITH EXCELLENT PROGRAM**

2-A Grade presented a most attractive little play entitled "The Golden Key" last Friday morning at the high school auditorium. The program opened by devotional exercises conducted by Ruth Sitton.

Two little girls, Ruth and May, are playing near a bluff and they find a golden key. Granny Briggs comes along and tells them that it is the golden key that unlocks the door

to fairyland. Soon the Pied Piper appears and tells how he rid the town of rats and why he had taken the children away. The children then come trooping in and tell the stories of themselves, after which they sing together, "Once Upon a Time" and "Story Book Land."

The cast of characters follows: Ruth and May, Ruth Sitton and Mae Dalton; Granny Briggs, Rosa Hale; Pied Piper, Edgar Loftis; Hop-O-My-Thumb, Oliver Hendrix; Goldilocks, Margaret Fullbright; Red Riding Hood, Christine Yongue; Jack and the Beanstalk, Walter Bryson; Goody Two Shoes, Grace Duckworth; Bo-Peep, Lenoir Henry; Jack and Jill, Francis Jenkins and Robert Thompson; Missstress Mary, Charlotte Patton; Peter Pan, Earl Ashworth. John White rendered the Piper's music from behind the curtain.

Miss Bertie Ballard, teacher of 2-A grade, directed this highly enjoyable program.
