Thousands of weak, suffering women have taken Cardui, knowing that it had helped their mothers or their friends, and soon gained strength and got rid of their pains. Cardui should do you a lot of good.

**Can You Save \$100?**

If you are careful with your earnings, can you save \$100 every year? Not such a great amount, is it? You could do it if you would try.

Well, here's what would happen to you if you started in at 20 years of age, depositing \$100 every year at compound interest and leaving it alone. If you lived to be 70 years old, your total at the bank would be over \$30,000. Worth trying, now isn't it?
