HIGH SCHOOL NEWS

F. R. Nalls, Jr., The Girls Athletic Association of the high school held a meeting last Thursday for the purpose of electing officers, and the following were elected:

Annie Yongue, President.
Secretary—Beulah May Zachary.
Treasurer—Edna King.

After the election the girls held a pep meeting and tried a number of new yells, under the direction of Miss Pauline Hawkins, who is director of girls athletics. More spirit is being shown this year than ever before.

At a meeting of the student body held last Thursday cheer leaders were elected. The boys elected Frank Osborne, and the girls elected Catherine Osborne. The two are brother and sister.

The Varsity football squad has elected Branch Paxton as captain. Frank Osborne was elected captain of the second team. James Waters was elected manager two weeks ago.

The football team is rounding out in great shape. The varsity squad now being used is as follows:

- James Waters Center
- Clyde Jones Right Guard
- Edward Jones Left Guard
- T. T. Loftis Right Tackle
- Jack Trantham Left Tackle
- Fred Hollingshead Right End
- Thomas Whitmire Left End
- Edwards Breese Quarter Back
- Branch Paxton Full Back
- Harry Clayton Right Half
- Phillips Hunt Left Half

The other men are making strong bids for backfield positions, and will probably play in some of the games this season. They are Rufin Wilkins and Ansel Jones.

Other promising boys who are now playing on the second team are Dewey Wood, Jethro Raxter, Richard Bryson, Harry Bryson, Thomas Hampton, William Morgan, Valry Carter, and Frank Osborne. Dewey Wood and Jethro Raxter have shown up especially well, and have a good chance to make a line position.

Almost all the seats are down in the auditorium now, and soon students will be able to have a meeting of the entire student body. This has not been possible so far because there was no place large enough to seat them. After the seats are all in, students will be required to gather together in the auditorium every day for chapel exercises.

The teachers were paid off Tuesday morning, and are said to be rejoicing greatly. They are paid once a month.

The Asheville High School recently took first and second prizes for home economics work in the state. The first prize was a scholarship to Duke University, and the second prize was \$50.00 cash.

The Brevard girls have sent the following letter to the Asheville girls, and have sent a copy of it to the Asheville Citizen, to be published in their Sunday edition:

"The Home Economics Department of Brevard High School understands that the Asheville High School has lately taken first and a second prize for the best home economics work in the state, and we wish to congratulate you.

"We have just organized our home economics department this year, and so could not compete with you in the last tests, but we hope to share honors with you next time.

"With best wishes, we beg to remain,
