MRS. WARD ENTERTAINS

Mrs. D. G. Ward was hostes. an informal reception at her a Tuesday evening to honor Dr. J. Pennington of the Manicipal chological Clinic, Birmlogham, who delivered a stereoptican lect on "Vocational Psychologys" lecture was based upon these lant saides, explaining the relation facial characteristics to one's abi in various occupations. Dr. P nington used as a subject for d oustration a young lady chosen

the audience and well known to an present, reading from her facial contour her characteristic traits un; stating the occupation for which sha is thereby best fitted. The lecture orayed extremely instructive und full of interest.

At the close of the lecture the hostess, assisted by Misses Martha Breese, Adelaide Silvertien, Elizabeth Shipman and Rowena Orr. served punch and calles. The invited guests included mainly the parents, teachers and ministers of the town, of whom there were present some sixty people.

TRAFFIC MAKES UPKEEP PROBLEM FOR COMMISSION

Rapidly increasing traffic on the State Highway System of North Carelina has made the maintenance of soil roads a problem on which considerable study has been given by engineers of the Highway Commission. A partial solution has been found by giving an oil or tar treatment to these roads. So far between two and three hundred miles of soil road have been treated and are giving very satisfactory results. The
