SICK WOMEN ATTENTION!

Read this Remarkable Testimony Regarding Results from Taking Lydia E. Pinkham's Vegetable Compound

Norfolk, Virginia. — "If you only knew how many women and girls have taken your medicine by hearing my testimony, it would seem wonderful to you. Every day and every chance I have I advise some one to try it. It was in June, 1904, when I had given up to never get well, that I wrote to you. My husband went to the drug-store and brought the Vegetable Compound home to me. In a few days I began to improve and I have often taken it since. I am now passing through the Change of Life and still stuck by it and am enjoying wonderful health. When I first started with your medicine I was a mere shadow. My health seemed to be gone. The last doctor I had said he would give me no more local treatments unless I went to the Hospital and was operated on. That was when I gave the doctors up. Now I am a healthy robust woman. I wish I could tell the world what a wonderful medicine Lydia E. Pinkham's Vegetable Compound is. I will be only too glad to answer letters from anywhere. I wish all sick women would take it." — Mrs. J. A. JONES, 317 Colley Avenue, Norfolk, Virginia.
