HOW TO PREPARE CHRISTMAS MAIL

WRAPPING AND PACKING

All parcels must be securely wrapped or packed. Use strong paper and heavy twine.

SPECIAL PACKING

Umbrellas, canes, golf sticks should be reinforced their full length by strong strips of wood tightly wrapped and tied to withstand transportation.

Hats: Packed in strong corrugated or fiber boxes. Ordinary pasteboard hat boxes must be crated. Ladies' hats and stiff hats easily damaged should be marked "Fragile."

Shoes: Pack in strong boxes, preferably corrugated cardboard. Wrap with strong paper securely tied with heavy twine.

Cut Flowers: Place in strong suitable boxes of wood, tin or heavy corrugated cardboard. Wrap with tissue to retain moisture.

Candies: Inclose in strong outside boxes or containers.

Drawings, paintings, unmounted maps, etc.: Pack or wrap in strong material to avoid damage. When not flat, roll around a wooden core and then wrap and tie carefully or place in strong pasteboard tube.

Sharp-pointed or sharp edged instruments or tools must have points and edges fully guarded to prevent injury to clerks handling or damage to other mail. Crate suitably or thoroughly wrap so that they can not cut through the wrapping.

FRAGILE OBJECTS

Articles easily broken or crushed must be crated or securely wrapped. Use liberal quantities of excelsior, or like material, in, around, and between the articles and the outside container.

Glassware, fragile toys, crockery must be packed so as to prevent the escape of particles or pieces if broken in transit.

Cigars: Ordinary boxes of cigars in paper only will not be accepted. Pack in a manner to prevent damage by shock or jar. Wrap in corrugated pasteboard or similar material.

All articles easily broken or damaged must be plainly marked "Fragile."

PERISHABLE MATTER

Articles likely to spoil within the time reasonably required for transportation and delivery will not be accepted for mailing. Wrap or pack carefully, according to contents, and plainly mark all such parcels "Perishable." Use special-delivery stamps to expedite delivery.

ADDRESSES

Addresses should be complete, with house number and name of street, post-office box or route number, and typed or plainly written in ink. A return card should be placed in the upper left corner of every piece of mail. If a tag is used, the address and return card should also be written on the wrapper for use if tag is lost, and a copy of the address should be inclosed inside the parcel.

POSTAGE

Postage must be fully prepaid on all mail. Affix the required amount of postage in the upper right corner. Full information concerning postage rates can be obtained at the parcel-post or stamp window.

LIMIT OF WEIGHT AND SIZE

No parcel may be more than 84 inches in length and girth combined. For delivery locally and in the first, second, and third zones, 70 pounds is the maximum weight; in all other zones, 50 pounds.

WHERE TO MAIL PARCELS

Uninsured parcels 8 ounces or less in weight may be mailed in street letter or package boxes, at all classified stations and branches, and at such numbered stations as are designated to receive parcels. Parcels weighing over 8 ounces can not be mailed in street boxes, but must be taken to the main post office or classified station or branch. Parcels containing meat, food products, cut flowers, or other perishable matter should be mailed only at the main post office or one of the large classified stations.

WHEN TO MAIL CHRISTMAS CARDS AND PARCELS

Christmas gifts and cards addressed to points within one day's travel should be mailed not later than December 20; within two days' travel, not later than December 18; within three days' travel not later than December 16; more distant points, not later than December 14. Parcels and cards for local delivery should be mailed not later than December 22.

Parcels and Envelopes May be Indorsed "Please Do Not Open Until Christmas."

CHRISTMAS CARDS

The early mailing of Christmas cards is just as important as parcels. Millions of these cards, separate and in envelopes, are mailed each Christmas. Consequently, great congestion and delay occurs in large post offices, where they are all mailed within a day or two of Christmas. Therefore, if you want your Christmas greetings to reach your relatives and friends on or before Christmas Day, follow the instructions in the preceding paragraph relative to mailing early and be certain of delivery before Christmas.

MATTER NOT MAILED AT PARCEL-POST RATES

Written matter in the nature of personal correspondence can not be inclosed in parcels.

Communications attached to parcels: A letter placed in an envelope, addressed to correspond with the address on the parcel, and fully prepaid at the first-class rate, may be tied or otherwise securely attached to the outside of the parcel in such manner as to prevent separation therefrom and not obscure the address on the parcel.

SPECIAL DELIVERY SERVICE

Special delivery service is obtained by affixing a special delivery stamp of the proper denomination, or its equivalent in ordinary stamps, in addition to the regular postage. When ordinary stamps are used, the words "Special Delivery" must be written or printed directly below. But Not On The Stamps. Special delivery is for speed and not for safety. Valuable mail should be registered or insured.

INSURE OR REGISTER VALUABLE MAIL

All valuable domestic parcel post mail should be insured. Insurance fees: Value not exceeding \$5, 5 cents; not exceeding \$25, 8 cents; not exceeding \$50, 10 cents; not exceeding \$100, 25 cents. Coin, currency, jewelry, and art-

icles of similar value should be sent as Sealed First Class Registered Mail.

COLLECT ON DELIVERY SERVICE

Parcel post, also third class matter may be sent C. O. D. from one money order post office to another. Fees (in addition to regular postage): Value not exceeding \$10, 12 cents; not exceeding \$50, 15 cents; not exceeding \$100, 25 cents, to be prepaid with stamps affixed. The C. O. D. fee also covers insurance against loss or damage up to \$10 for a fee of 12 cents; up to \$50 for a fee of 15 cents; and up to \$100 for a fee of 25 cents, actual value.

PARCELS FOR FOREIGN COUNTRIES

Parcels of mailable merchandise may be sent (subject to certain limitations and conditions) by international parcel post to all foreign countries except Arabia, Spanish Guinea, and Tristan Da Cunha. Parcels weighing 4 pounds 6 ounces or less may be sent to Cuba subject to the domestic parcel post rate and conditions. Foreign parcel post packages should be mailed at the main office or large classified stations.

Owing to the long sea travel involved in most instances and customs inspection abroad, foreign parcels should be most carefully packed and mailed in November.

INFORMATION

For further information on any

of the above subjects or concerning any other postal matter inquire at the proper window stamp, parcel post, money order, registry, etc. or see the postmaster or one of his assistants.

The old, dirty hen house undermines the health of the young pullet. Clean out the house, make it leak proof, add fresh litter and do away with cold draughts. Pay poultry extension workers of State College.

It is estimated that North Carolina will produce 1,200,000 bales of cotton this year, a net of 25,000 bales last year. The total price received by farmers this year will be less than for the crop last year if the usual market conditions prevail.

Humus helps to hold moisture, so farmers in the drought areas of North Carolina found this season.
