**BIBLE SCHOOLS ARE ACCORDED SUCCESS**

**INSTITUTION WILL PROBABLY BE HELD NEXT YEAR**

Brevard's first daily vacation Bible school came to a close Friday night, after a very successful session of the past four weeks. Two units of the school were held, one at the Presbyterian church and the other at the Baptist church, with a total enrollment of 131 children. The school was organized and under the general supervision of W. A. Monroe, assisted by a number of competent teachers in both units.

Demonstrations were held Friday night at the Presbyterian and Baptist churches, at which quite a number of the parents were present to witness the marvelous progress made by the children in the study of the Bible in so short a time. The demonstration included the quoting of numerous and lengthy passages of scripture by the children, group songs, and the answering of numerous questions from the catechism and answers to other questions which they had been required to memorize.

The completion of the course included the memorizing of 5000 verses of scripture and the answering of 5000 Bible questions. The total cost of both schools was \$382, of which amount there is a remaining deficit of \$72 for the Presbyterian school and \$64 for the Baptist school. Anyone wishing to make donations to the Bible school is requested to give same to the pastor of either one of the churches, or to Mr. Monroe.

The school term closed with a picnic Saturday at Lake Sega, at

which the majority of the pupils were present and enjoyed a happy day. The trip to Hendersonville was necessarily called off on account of the heavy rain storms in the afternoon.

The children voted to continue the Bible school next summer, and it is expected that the enrollment will at least double another year.
