'SNOWMOBILE' IS LATEST AUTO FAD

Faced with the necessity of making long trips through a territory frequently covered with snow drifts 20 feet deep in a where temperatures often hover around 38 degrees below zero, Charles Surrall, of the firm of M. Surrall & Son, Chevrolet dealers at Newberry, Michigan, has constructed a novel Chevrolet "snowmobile," utilizing a Chevrolet motor and chassis.

The front end of the queer looking vehicle, which attracts unusual attention wherever it appears in the snow-covered upper peninsula, is fitted at the front end with wooden skis, attached to the regulation Chevrolet axle and steering knuckles. The car is easily handled despite the heavy snow drifts and the average depth of 30 inches of snow encountered in his daily travels. Mr. Surrall says. The rear end of the car is fitted with two sets of Chevrolet wheels, set tandem style, over which an endless tractor belt equipped with flanges operates.

So powerful is the special tractor equipment when powered with the standard Chevrolet motor that Mr. Surrall has often been called upon to tow heavy cars out of snow drifts where they have become hopelessly stalled. The extensive alterations required to transform the Chevrolet into a snowmobile were all made in the service station of M. Surrall & Son. The Chevrolet motor had already put in four years of active service on a Chevrolet touring car before it was utilized for special winter service, Mr. Surrall says.

Don't You Care!

Somebody always may excel you,
 But don't you care!
 Others outplay you or outspell you,
 But don't you care!
 Prizes may not fall to you,
 But in everything you do
 You can have a purpose true,
 So don't you care!

Somebody else may have more money,
 But don't you care!
 Somebody may be shrewder, Sonny,
 But don't you care!
 Others may wear finer things—
 Silks and furs and diamond rings,
 But you can have the joys love brings,
 So don't you care!

Somebody may get more attention,
 But don't you care!
 Or win the "honorable mention",
 But don't you care!
 If your work is nobly done,
 Surely you can have the fun
 Honest worth has always won,
 So don't you care!
