

## SCHOOL PROGRAM ELEVEN YEARS AGO

When Ralph Duckworth, Verne Clement, Miss Nelle Aiken and Others Declaimed and Debated

Eleven years ago there was no High school in Transylvania county, but there were commencement exercises, just the same. An old copy of The News of this date, eleven years ago, gives an account of the commencement exercises of the Graded school. Read it, and let the past pass in silent review before your eyes:

The Brevard graded school will close this week, the final exercises being held on Friday night.

The exercises will be at the Auditorium. Prof. W. D. Maginnis, of Winthrop College, Rock Hill, S. C., has promised to deliver the commencement address.

### Friday Morning Program

Beginning Friday morning at 10:30 the program will be as follows:

Recitation, Miss May Crary, "The Martyr Child."

Declamation, Ralph Duckworth, "Spartacus to the Gladiators."

Debate: "Resolved that Wilson's Policy of Preparedness is Necessary"

Miss Mildred Bryant and Hubert Hardin will defend the president's policy while Miss Nelle Aiken and Tom Cooke will show the folly of military preparedness.

Recitation, Miss Annie Snelson, "Lascia."

Declamation, Verne Clement, "A Man Overboard."

The morning exercises will last for about an hour.

### Friday Night Exercises

The evening exercises will begin at 8:15, when the graduating class will occupy the opening part of the program. These exercises will be brief and in the following order:

Miss Bertie Ballard, historian.

Miss Gladys Galloway, poetess.

Miss Irene Erwin, prophetess.

William Breese, orator.

Miss Ruby Faulkner, executrix.

Prof. Maginnis' address will close the program.

No charge of admission will be made.

"Edith's Dream," which was repeated at the Auditorium and "How the Vote was Won" and "Never Reckon Your Chickens," given by the school children, were enjoyable parts of the commencement exercises. They were well attended and highly pleasing.

Elephant thieves operate in parts of India.

Statistics indicate that the oldest child in a family is likely to be more successful than the others.

French Fashion leaders are advocating the adoption of knee breeches for men's wear on all occasions.

### Lesson for May 29

#### PETER UNDAUNTED BY PERSECUTION

LESSON TEXT—Acts 5:17-42.

GOLDEN TEXT—We ought to obey God rather than men.—Acts 5:29.

PRIMARY TOPIC—Peter Shows His Courage.

JUNIOR TOPIC—Peter Speaks Bravely for His Lord.

INTERMEDIATE AND SENIOR TOPIC—Standing Firm Under Persecution.

YOUNG PEOPLE AND ADULT TOPIC—The Source of Courage.

The vindication of the house of God against the hypocritical act of Ananias and Sapphira had a salutary effect upon the people. The hypocrites were deterred from joining the church, but true-hearted men and women were all the more attracted to it, even identifying themselves with it. So great was the stir in Jerusalem that even the sick folk were brought where but the shadow of Peter might fall upon them.

1. The Apostles in Prison (vv. 17-18).

The marvelous success which accompanied the teaching of the apostles was too much for the Sadducees to endure. Their jealous wrath was aroused to such an extent that they laid the cruel hand of persecution upon these witnesses for Christ. Cain was jealous of Abel; Joseph's brethren sold him in slavery because he was the favorite of Jacob. Saul was jealous of David when the women ascribed greater glory to him.

2. The Apostles' Miraculous Deliverance (vv. 19-21).

1. The Lord sent an angel to open the prison and let the prisoners free (v. 19).

There are no doors, nor bolts capable of shutting out God's angel.

2. They were commanded to go at once and speak to the people. (v. 20).

The message they were to deliver was the "Words of this life." Most likely this means eternal life through the death and resurrection of Jesus Christ.

3. Their prompt obedience (v. 21).

By daybreak they were teaching in the temple.

III. The Apostles Tried (vv. 21-32).

1. The meeting of the council (v. 21).

In the early morning the Jewish council was convened by the high-priest.

2. Their perplexity (vv. 22-24).

The officer was sent to bring the prisoners, but lo, when they came to the jail it was empty. This news greatly perplexed the council.

3. The apostles again arrested (vv. 25-26).

One came with the news that the apostles were teaching in the temple. They were dispatched to bring the council. They resorted to the use of violence because of the people.

They were questioned (vv. 27,

\*This statement is based on facts. We picked at random 1500 motorists who were testing Michelin Tires opposite other brands on the same car. 84% said their Michelins lasted longer than the other makes they were using.

# This is not guesswork

No matter what make of tires you are now using, we promise you more mileage if you will buy **MICHELIN** TIRES of us!

How can we make this sweeping promise? Well, just consider the facts:

**FACT 1**—Written reports have been secured from over 1500 motorists picked entirely at random except that all were testing various makes of tires opposite Michelins. 84% said they secured more mileage from their Michelins than from the other tires they were using.

**FACT 2**—In Detroit, the home of the automobile, in a vote taken among all of the 984 tire dealers, more dealers voted for Michelin as the best tire than for any other make.

**FACT 3**—During the past three years Michelin sales have grown

three times as fast as the tire industry as a whole. Something more than words did that.

**FACT 4**—Records covering over a million miles show that, on an average, Michelins give 36% more mileage than other tires.

**FACT 5**—Back in 1895 Michelin was the world's first pneumatic auto tire. Today Michelin is still first, and over 25,000 tire builders are kept busy trying to supply the great world-wide demand for Michelins.

But in addition to quality there's another factor—Price. We sell Michelins at the price of standard tires. Think of that. Then ask yourself: "Don't I owe it to myself to give these fellows a chance?"
