

Brevard Creamery To Continue Full Buying Operations

Y. & B. CORPORATION SINGERS ENJOYED IS IN RECEIVERSHIP BIG CONVENTION

First Instructions to Close Brevard Branch Were Changed When Local Men Talked To Receiver

ORGANIZED HERE SOME SEVERAL WEEKS AGO

Yarborough Expresses Belief That Corporation Will Come Out O. K. —Local Market Continues

The Brevard branch of the Y. & B. Corporation, known as the Brevard Creamery and Produce company, will continue in operation, according to advices sent to L. A. Ammon by J. A. Yarborough, of Charlotte.

News was received in Brevard Tuesday that the Y. & B. Corporation, of Charlotte, had been placed in receivership, on petition of a stockholder and creditor of the company.

The news caused much concern in Brevard and throughout the county, because of the fact that the cash market here has proved of tremendous value to farmers having produce for sale. Cash has been paid for produce, and the creamery business was making good headway.

In addition to this phase of the case, many citizens of this county bought stock in the Y. & B. Corporation, when the Brevard branch was established recently. Those owning stock in the corporation were, naturally, deeply interested in the announcement of the receivership.

First advices to Messrs. Ammon and Hamilton, who attend to the affairs of the Brevard branch of the business, were to close the Brevard store temporarily, until the receiver could have time to get things going.

A meeting was held among interested citizens of the town, and Messrs. Thos. H. Shipman and Wm. E. Breese talked with Mr. Yarborough over long distance. As a result of this telephone conversation, it is known, Mr. Yarborough ordered the Brevard store kept open and the business of buying produce and cream to continue, as in the past.

In a communication to a Brevard citizen, J. A. Yarborough, president of the corporation and acting receiver by order of the court, stated it is his intention to save all stockholders' money and avert any losses. It is said the Charlotte end of the business is being carried on as usual.

Following is a clipping from The Charlotte Observer, which tells of the company and the appointment of a receiver.

The Y. & B. corporation, operating seven stores and dairies in Charlotte and holding wide interests throughout the section, went into the hands of a receiver yesterday.

J. A. Yarborough, president of the corporation, was appointed temporary receiver by Judge Michael Schenck in Mecklenburg superior court after Harvey Morris, et al, in behalf of the stockholders and creditors, filed complaint.

The complaint was answered at the same time with all allegations admitted and the defendant company joining in the petition.

November 16 was set by Judge Schenck as date for a hearing on a permanent receivership.

Lacks Funds. In the complaint Mr. Morris, who identified himself as a stockholder and a creditor, alleged that the company holds large assets and valuable property but has no liquid assets with which to meet pressing debts.

The corporation, he contended, is in imminent danger of becoming insolvent and is about to suspend all ordinary business for want of funds.

He held that unless a receiver was immediately appointed all stockholders would be subjected to heavy losses.

The Y. & B. corporation is a holding company for the seven Mecko stores here, including the Mecklenburg dairy. Only the general business, it was explained, is to be affected.

The Y. & B. Ice and Coal company is no longer operated by the corporation and will not be affected, Mr. Yarborough said.

The complaint asked that the court invest the receiver with power to continue operation of its general business for as long a time as is deemed advisable in order to prevent further losses to the stockholders.

Not To Close. Mr. Yarborough supplemented the petition with the statement last night that he has no intention of discontinuing business and a denial that such a step had been considered.

The Y. & B. corporation succeeded in the Yarborough and Bellinger contracts which began a spectacular rise in the commercial world four years ago when, in 1923, a program of expansion was launched. The corporation is a holding company for a widely diversified group of businesses, including the sections of North Carolina.

J. A. Simpson was elected president of the Transylvania county singing convention held at the county court house last Sunday. J. W. Burns of Cedar Mountain was re-elected vice president and R. E. Mackey was re-elected secretary. Hundreds of people attended the session, which began at 10 o'clock Sunday morning and lasted until after 4 o'clock Sunday afternoon, with an hour at noon for the enjoyment of lunch together.

Every fifth Sunday the singing classes of the county meet at the court house, and it is an event always looked forward to and enjoyed by a large number of people. It is said the past year was most successful, and those interested in this great work look forward to the coming year when even higher hopes are held for greater success.

Unusual interest is attached to the meetings of the Masonic lodge here, occasioned by the educational program that is being enjoyed, and by the classes that are being held each meeting night, when members of the lodge sit for half an hour going over the work, "brushing" up on the secret work of the order.

Meetings are being held twice monthly—on the second and fourth Friday evenings, and each session begins at 7:30 o'clock.

Sandy Woodman and Mayor Whitmire are enjoying their defeat of B. D. Ackley and Ted Galliher on the Brevard golf course Tuesday.

Ted Galliher is the Spartanburg pro, while Mr. Ackley is well known here as pianist in the Cyclone McLendon meetings. These visitors returned to Brevard Wednesday night with Mr. Woodman, who attended the Great Falls meeting last Sunday.

Golfers who know the Spartanburg professional and the fine playing done by Mr. Ackley are complimenting Messrs. Whitmire and Woodman for their defeat of such good players.

Sheriff D. J. Sitton and Charlie Jimison captured a man this week who had sixty gallons of liquor in his car, it is said. The capture was made on Highway No. 28. It is said the driver of the car is an Asheville man, and bond was made for his appearance at the December term of court.

The big haul of liquor was poured into the gutter.

Sheriff Sitton worked overtime last Sunday night, making nine arrests from sundown Sunday evening until Monday morning. Calls to the sheriff took him in several sections of the county where fights, "drunks and so on were in progress.

B. D. Ackley, who is pianist for the "Cyclone Mack" meetings, is in Brevard for a few days to rest between the meetings and to enjoy the pleasures afforded on the Brevard golf course, playing with "Sandy" Woodman and Mayor Whitmire. On Saturday Mr. Ackley and "Sandy" will play on the Asheville Country club golf course, forming a foursome with Evangelist Mel Trotter and his associate, Mr. Rodheaver, who are conducting a big revival meeting in Asheville.

There will be no services at the Methodist church on Sunday morning, due to the fact that the pastor, Mr. O. J. Chandler, is attending the annual conference in session in Asheville this week. At the regular evening hour of worship, the Woman's Missionary society will have charge of the services.

The regular monthly meeting of the United Daughters of the Confederacy will be held Saturday, Nov. 11, at the new building, at this point in the downtown section of Asheville.

The regular monthly meeting of the United Daughters of the Confederacy will be held Saturday, Nov. 11, at the new building, at this point in the downtown section of Asheville.

Farm Agent's Office Up For Final Action Monday

Farmers of Transylvania County interested in retaining the office of farm agent are urged to meet the directors of the Board of Education at the county court house next Monday morning at 10 o'clock. It is hoped that farmers from every section of the county will be present at the meeting and add their presence and influence in the effort to obtain the continuation of the very essential work of farm agent.

Those interested in the proposition are urged to get just as many signatures as they possibly can and have all these petitions at the meeting Monday. Some have already been mailed into the Chamber of Commerce, and those who do not mail their petitions in are urged to be on hand with them next Monday morning.
