## **NEWS OF INTEREST** TO W. O. W. MEMBERS

(By W. H. GROGAN, Jr., District Manager W. O. W.) FRATERNAL INSURANCE

The fraternal plan of insurance enables all men and women of modcrate means to protect their families.
It is the purchase of a moderate estate for your family on the install-

ment plan. It insures that your boys and girls hall not become objects of charity

in the event of your death. It binds you and your family in the bonds of fraternal fellowship to thousands of other families.

It drives away the anxious thought of the morrow which would rob your ife of many pleasures and much

It should be carried by every mother, father, husband, wife and child in as large an amount as income justifies.

It indicates education and a spontaneous desire to attain a higher plane both financially and socially.

It is a duty that every man and woman owes not only to those dependent upon them, but to society It will not shorten life a day, but may add to it the days which anxiety

would cut off. -The Bee Hive.
