EIGHTH GRADE HOME ROOM MEETING

We were very sorry that Miss Keels could not be with us at our home room meeting last Thursday. Mr. Jones acted as substitute for Miss Keels. He gave us a valuable talk on how to pass our grades. The things that we decided would help us to pass were:

Studying, good behavior, honesty, promptness, industry, properly graded and native ability. If everyone would do this we would all pass our grades.

(Mildred Norton—'32)

HARMONICA CLUB DELIGHTS HIGH SCHOOL AUDIENCE

Wednesday morning, November 7, the Harmonica Club of Brevard High School entertained the student body with several delightful numbers. "Old Black Joe" and "Nellie Gray" were presented by the entire club; "Ramona" and "In a Little Spanish Town" were played by Fred Miller. Ruel Hunt imitated cleverly an incoming train. The following boys composed the club that presented the much enjoyed program: Ruel Hunt, Mark Orr, Glen Miller, Fred Miller, Jack Miller, Hayes Shipman, Charles Morgan, Roy Johnson and Bruce Hartsell.

(Garland Sledge—'29)

GLENN MILLER IS ELECTED CHEER LEADER

Monday morning in chapel Glenn Miller was elected cheer leader for the boys. He has already taken up his work with the other cheer leader, Mollie Snelson. Sara Barrett and Charles Morgan, assistant cheer leaders, as was shown in chapel Monday morning, they gave many peppy songs and yells, and we are expecting many more to encourage the team on through the season.

(Sadie Reed—'29)

BREVARD INSTITUTE DEFEATS "BENCHERS"

The Brevard Bench Warmers, an ambitious team composed of the town boys, were defeated by the strong Institute eleven on the High School grounds Monday afternoon. The game was spiced with thrilling and tense moments. Bench Warmers put up a diligent fight, but lacked coaching and practice. There were several of the old High School stars on the Bench Warmers' team: Speedy Jones, Harold Whitmire, Ansel Jones, "Fair-in-High" Guinea Wood, and some boys who had played for other teams.

Atwell and Roberts starred for the Institute. Wood was the stellar player for the Bench Warmers, distinguishing himself by receiving several spectacular passes.

(Spencer Macfie—'29)

APPROPRIATE PROGRAM FOR ARMISTICE DAY

Mr. Hinton McLeod, principal of the High School, gave an interesting talk on Armistice Day in Chapel Monday morning. This was enjoyed by all and it helped to remind us of the stirring events and the splendid sacrifice during the World War. Several patriotic songs were sung to carry out the program.

The English classes observed the celebration by bringing appropriate poems and articles on the subject of "Armistice Day." "In Flanders Field," the well known war poem by Lieut. Col. John McRae, was committed to memory.

(Nina Burrell—'32)

BASKETBALL SEASON IS NEAR

Coach Tilson of Brevard High School has made a splendid football team out of the boys of the High School. He is now getting ready for a basketball team and we all hope this will be as successful as the football squad. He has had the court lined off, and soon will start practicing the boys for varsity.

(Walter Clayton—'32)

HIGH SCHOOL PUPILS TAKE PART IN PLAY

The Business Girls' Auxiliary club gave a program consisting of two one-act plays at the High School auditorium Thursday evening. The first play was "In the Spring a Young Man's Fancy," in which the following High School pupils took part: Rebecca Summey and Ethel McMinn.

In the second play, "Peggy," the scene was laid in the mountains of North Carolina. Miss Elise Wannamaker, of the High School faculty, interpreted excellently the character of the mother. Sara Barrett and Harry Bryson delighted the audience with their parts.

(Reba Masters—'32)

BREVARD MIDGETS FORM AN ALL-STAR TEAM

Brevard High Midgets played a college game on the Blue Devils' gridiron Monday afternoon with every boy in good form. In the first quarter B. H. S. went down on the kick off and held B. I. for downs. Brevard got the ball and went up the field with Captain Miller carrying the ball with good interference for the first touch down of the game.

In the second quarter the B. I. boys received a kick off and tried in every way to get through, but would fail. B. H. S. got the ball and ran through the B. I. line like an experienced team. At last Miller got loose with an end run for another touch down. He tried for an extra point with B. I. being off sides it counted one more point and that ended the first half with the score being 19-0 in favor of B. H. S.

The B. I. boys came back twice as hard in the second half and holding the B. H. S. from anything, the Institute tried in every way, but B. H. S. broke through the line and carried the B. I. boys for losses. At last one of the B. I. boys intercepted a pass and ran about 30 yards, but Siniard downed him on the 30 yard line and prevented a touch down. The game ended with the B. H. S. in the lead by a score of 14-0. Both teams played a good and hard fought game. Miller and Osborne were the outstanding players for B. H. S.

(Harry Bryson—'31)

EAST FORK NEWS

We've been silent for some time, not for the lack of news, but first for the lack of zeal to tell it. So we'll begin way back about Halloween.

Miss Kate Gillespie and her Sunday School class entertained Miss Rachel Gravely and her class with a Halloween party at the school house. The room was appropriately decorated. It really looked quite spooky. Everyone present reported a wonderful time.

We were glad to welcome back Rev. W. E. Ruffy, the former pastor of the M. E. church, on the first Sunday in this month.

Sunday we saw more folks at the Baptist church than have been seen there for some time. The folks at Connessee know how to make other folks feel good. They brought their pastor, Rev. C. C. Reese, to preach for us. We are glad to say he can and did that very thing. It makes folks feel good just to listen to one of their own crowd who has made good. We consider Mr. Reese one of our own since he was reared so nearly in our community. Then Mr. Baker brought his singing class along and their singing was greatly enjoyed. We hope these good folks give us another treat soon.

Mr. and Mrs. Roy Goodson and children and Mrs. Nannie Kennamur spent the week-end at the Gravely home.

Messrs. W. C. Gravely and B. A. Gillespie were Brevard visitors Monday.

East Fork can boast one piece of news enough read now. We are speaking of the road from the school house to the upper end of J. A. Gillespie's place. We're not saying what it will be when it rains, but it's first class now, and we have the promise of a two-mile stretch between here and Resman being made. And adding to that, the fact that Mr. S. L. Lister is having some work done on his road will be a help to vote about four hundred in our next election.

Mr. Tom Reynolds of Sumner, Carolina, has moved to our community.

BREVARD, N. C.

To the first half-million new Ford owners

TO THE half-million men and women who have received new Fords in the last eleven months, there is no need to dwell on the performance of the car.

You have tested its speed on the open road. In traffic you have noted its quick acceleration and the safety of its brakes. You know how it climbs the hills. On long trips and over rough stretches you have come to appreciate its easy-riding comfort. Continuous driving has proved its economy of operation and low cost of up-keep.

This is an invitation to you to take full advantage of the service facilities of the Ford dealer organization so that you may continue to enjoy many thousands of miles of carefree, economical motoring.

The point is this. You have a great car in the new Ford. It is simple in design, constructed of the best materials and machined with unusual accuracy. It is so well-made, in fact, that it requires surprisingly little

attention. Yet that doesn't mean it should be neglected. Like every other fine piece of machinery, it will serve you better and longer if given proper care.

One of the best ways to do this is to take your car to the Ford dealer every 500 miles for oiling and greasing and a checking-up of the little things that have such a great bearing on long life and continuously good performance.

Such an inspection may mean a great deal to your car. To you it means thousands upon thousands of miles of motoring without a care—without ever lifting the hood.

Ford dealers everywhere have been specially trained and equipped to service the new Ford. You will find them prompt and reliable in their work, fair in their charges, and sincerely eager to help you get the greatest possible use from your car for the longest period at a minimum of trouble and expense. That's the true meaning of Ford Service.

FORD MOTOR COMPANY
