### D. A. R. TRANSACTS IMPORTANT BUSINESS

Members of the Waightstill Avery chapter of the Daughters of the American Revolution transacted a number of matters of important business at the January meeting held Monday afternoon at the home of Mrs. J. P. Deaver.

The meeting opened with the flag salute and prayer led by Mrs. Laura Miller. Mrs. Deaver reported a balance in the treasury of \$21.84, and Mrs. J. S. Silversteen made report on the sale of Christmas cards which netted the chapter \$29.30, making a total of \$51.14 in the treasury.

Mrs. E. W. Blythe read a letter from Mrs. Regan regarding the Valley Forge bill, but the chapter decided to take individual action on this matter later. A letter was read by Mrs. Blythe regarding the Memorial to be erected by the national D. A. R. to the women responsible for its organization, after which she gave a brief account of the unveiling of the memorial tablet to Woodrow Wilson, which ceremony occurred in Wilmington in December. It was decided to ask Mr. Clement to show "The Trailer" on the important days, such as Washington's, Lincoln's, Lee's birthdays, etc. The chapter voted to award a medal to the seventh grade student at Brevard Institute making the highest average for the year in United States History. This award is in addition to those offered annually to the other schools in the county.

Following the business meeting, a pleasant social half-hour was enjoyed, during which the hostess served refreshments. The February meeting will be held at the home of Mrs. J. S. Silversteen.

If you can't be really cheerful, be as cheerful as you can.

# Our Power Cut Off!

Early Tuesday morning, Doug called me and informed me that the power had been cut off, and no machinery in the plant could be operated. The Linotype machine was dead — no type could be set. The presses could not run. H. L. Wilson, of Plummer's Department Store, and Luther Pushell, of Pushell's Department Store, came to my relief, and sufficient money was raised to get the power turned on so we could print the paper. I am not blaming Mr. Charley Pickelsimer. I was behind in my payments and there is no reason why he should carry my load.

# Two Thousand Dollars Due Us!

Our subscribers owe us over Two Thousand Dollars. I have been asking you to pay us, if you can do so, because we really need it to "Carry on" with the paper. If you cannot send the two dollars, then please send one dollar, or fifty cents. These payments will enable us to go on with the work. We are not going to cut you off unless you tell us to do so. We know now how that feels, because our power was cut off.

# Please Be Fair With Us!

If you do not want the paper any longer, then tell us so — otherwise we are going to send it on to you. We just cannot cut you off, simply because you are behind with your payment. It may be that you haven't the money with which to pay, like we were with our rent and power bill.

If you can spare your two dollars, or one dollar, or even fifty cents, please send it in and help carry on the work of the paper.

Yours to the bone,
