

SCHOLARSHIPS TO BE GIVEN BY U. D. C.

Announcement is made by the Educational department of the North Carolina division of the United Daughters of the Confederacy that several scholarships offered by this organization for high school graduates will be available in the fall.

The following scholarships will be available to eligible boys and girls: For girls who are lineal descendants of Confederate Veterans, three scholarships will be available at N. C. C. W., Greensboro, one at East Carolina College, Greenville; one at High Point College, High Point; all valued at \$130 each.

For boys who are lineal descendants of Confederate Veterans, one scholarship valued at \$200 will be available at University of North Carolina; one at University of Virginia, valued at \$135; and one at Washington and Lee, valued at \$80.

In addition to these scholarships, the Jefferson Davis essay prize scholarship, valued at \$200, will be offered to any boy or girl, not necessarily descendants of Veterans, writing the best essay on "The Life of Jefferson Davis." If won by a girl, she can use the scholarship either at the N. C. C. W. or East Carolina or North Carolina State College. The conditions are that the essay must be typewritten and in the hands of the educational chairman not later than June 1st.

Further information regarding this matter may be obtained by communicating with Mrs. J. S. Welborn, Chairman of Education, N. C. Division U. D. C., High Point, N. C., or with Mrs. Edward Patton, Chairman Transylvania Chapter, U. D. C., Pisgah Forest, N. C.

COMING SEASON TO BE BEST EVER HAD

That this coming season is to be one of the best ever enjoyed in this community from the tourist trade, is evidenced by the fact that already there have been many people from the South, looking for just the right kind of place at which to spend the summer. It is especially pleasing to those interested in the work that there are large numbers of people wanting to lease furnished homes or furnished apartments or the summer, showing that the town will have a large population of summer people throughout the season.

This paper is receiving inquiries from its readers in Florida, Georgia, South Carolina and Eastern North Carolina, all wanting to know about houses for rent by the month or for the season. It is a good plan for those having such places to lease, to run a small advertisement in the classified column of The Brevard News. Just a quarter a week for 25 words—an inexpensive way to rent your house for the season.

FINE EDITION OF A SPLENDID PAPER

Sunday's edition of The Times-News, Henderson county's daily publication, featured a special Chamber of Commerce edition, the paper in its entirety containing 64 pages in six sections.

The paper gives, in an interesting and well organized manner much information regarding Hendersonville and surrounding territory, as well as general information in regard to the State of North Carolina. In picture, news, advertising and editorial matter, the story of Hendersonville and other sections of the state is well told, and is surely destined to be the means of inducing to this section hundreds of tourists who might not otherwise be acquainted with the many advantages existing in that locality. The special edition reflects credit on the management of the paper, the Hendersonville Chamber of Commerce and on all who were in any way connected with its publication.

SPLENDID CONCERT BY HIGH SCHOOL STUDENTS

That Brevard possesses musical talent of a varied and accomplished order was fully demonstrated Tuesday evening when the High School orchestra, harmonic band and glee club presented a concert at the High School auditorium before a large and appreciative audience.

The program, comprising three parts, was varied and high class in nature and gave evidence of musical ability on the part of the performers. In addition to the enjoyable selections by the orchestra, harmonica band and glee club, there were several solos, mixed quartets and readings, all combining to result in a well executed and well prepared program, given under the direction of Miss Marguerite Robertson, with Miss Eva Call assisting in the piano accompaniments.

LIBRARY NOTES

Report of Librarian, Miss Edith Hunt, of the U. D. C. for the month of March shows that 299 books were in circulation during the past month, and that there was an attendance of 183, with 18 books added and three new members enrolled.

The following books were shelved last week: Real Americans, by Wade; Little Susy's Six Birthdays, by Prentiss; Helen's Babies, by Habberton, given by Deling Booth; The Bobsey Twins, given by Carolyn Kilpatrick.

U. D. C. TO MEET

A called meeting of the U. D. C. will be held at the library this (Thursday) morning at 10 o'clock.

SHERRILL DESCENDANTS ASKED TO CO-OPERATE

At the next reunion of Sherrill's Clan to be held at Sherrill's Ford on August 2, it is expected that unveiling will take place of a monument erected to the memory of Adam Sherrill and his eight sons, who were the first to cross the Catawba river at Sherrill's Ford in 1747 and became the first white settlers west of the Catawba river. At the third annual gathering of the Sherrill Clan held last August, a committee was appointed to solicit funds for a memorial to be erected on the ground of Sherrill Ford High School in Catawba county, and all descendants of pioneer Adam Sherrill are asked to make small contributions for this purpose and to send same to the treasurer, J. E. Sherrill, Mooresville, N. C., on or before May 1st. A list of all contributors with the amounts will be kept in the records of the Sherrill Memorial Association.

This occasion is expected to be a most enjoyable one, as well as a sad one for the Sherrill family, and especially for Mr. D. M. Sherrill, a well known citizen of Transylvania county for the past 54 years who has not been back to the old home place for 27 years. It is feared that it will also be the last time that he will ever be able to attend again, as he is now 74 years of age and not in good health.
