

EVERYBODY ASKED TO PLAY GOLF HERE

"Open House" To Be Observed at Golf Course for Two Weeks Period.

EXPECT MANY TO PLAY THE FIRST GOLF GAME

Hoped That All Citizens of Town and County Will Accept Invitation.

Open House will be observed at the Brevard Golf Course from April 15 to May 1.

All citizens of Brevard and Transylvania County are invited and urged by the Brevard Country Club to play on the course, as the club's guests, during these two weeks. It is hoped that many hundreds of men and women will accept the invitation.

No formal invitation will be sent anyone. This public invitation is intended for all citizens, and the members of the Country Club will welcome all residents of the county who care to visit the course and play the game. To those who have never played golf, the members extend a hearty invitation, and any member will be glad to accompany those who do not know the game and show them how to get started off.

Of course, there will be no charge made to any of the guests during these two weeks, as the club members are extending this invitation in its broadest sense. The course is now in the best condition it has ever been, and those who have been wanting to learn something of the game could find no better time or place to play their initial game.

The members of the Brevard Country Club would be really delighted should the course be filled every day during the two weeks with citizens of the county. Many people here have never been on the course and know nothing of the great amount of work that has been done by the Country Club in preparing a first class golf course, primarily for tourists. The local course is recognized as one of the main essentials to this community in bringing tourists to Brevard.

Mrs. Harry H. Patton will have moved into the club house before the 15th, and will greet the visitors who accept this invitation.

PROF. JONES MAKES CLEAR STATEMENT

Superintendent J. B. Jones, of the Brevard schools, issues notice to the parents of the school children that the authorities are not sponsoring camping trips for the students, over night hikes, or any other activities except such as are duly announced in The Brevard News. The children in the schools, the superintendent states, are under the care of their parents from the time they reach home from their regular school duties until they return to the school room on the following day.

This notice was deemed necessary by Prof. Jones on account of criticism that had been directed at the school authorities because of a near-accident occurring to some of the students one night recently.

Following is the formal statement issued by Superintendent Jones:

"The attention of parents is called to the fact that the Brevard Schools do not officially sponsor camping trips. After the children reach home from school they are under the authority of the parents. Teachers may go with them at times, but they do so as citizens of the community and not as official representatives of the schools.

SCOTTISH RITE IN SPRING REUNION

Many people from the county are planning to attend the Scottish Rite Reunion to be held in Asheville on April 23, 24 and 25. Several Master Masons will go from Brevard to take the higher degrees, while members of the Scottish Rite living here will attend to witness the beautiful work which has such strong appeal to those who have seen its beauty and learned something of its philosophy.

TURN THOUSANDS LOOSE FOR CATTLE

Five thousand dollars are being circulated in this county for cattle by the county commissioners brought shipped last week. Four steers sold the sum of \$498.50, and Mr. W. J. Aiken, shipping the cattle, declares it is a great waste and loss to the farmers to sell their steers while young. By keeping them and feeding them just a little longer, Mr. Aiken says, much more money can be made by the farmers.

R. W. Everett averaged over one hundred dollars for 19 steers and just a little under \$100 each for 11 more. Mr. Aiken is enthusiastic in his belief that stock raising would be the best thing in which the farmers of the county could engage.

MRS. LEWIS HAMLIN IS CRITICALLY ILL

Many Brevard People Respond to Call in Blood Transfusion Test.

Mrs. Lewis P. Hamlin is critically ill at the French Broad Hospital in Asheville, where she was taken several days ago. Physicians Tuesday called for volunteers for blood tests, deciding that blood transfusion was the only chance to save the life of the well-loved Brevard woman. A score or more people in Brevard immediately presented themselves to the Asheville physicians for tests.

Among those taking the test were a group of High School boys and a group of Brevard Institute boys. Those from the High School were as follows: Edgar Osborne, Bill Morgan, Albert Payne, Bill Erwin, Harold Kilpatrick. Those from the Institute were: Frank Jernigan, Troy Boggs, Fred Priddy, Hobart Goodman, Sol Greear. Among the citizens of the town offering their blood were: Mrs. Hugh Walker, Miss Gladys English, Miss Clara Jones, William Allison, Louie Loftis, Mrs. Charles M. Douglas, Mrs. W. L. Duckworth, Mrs. Dr. English, sister of Mrs. Hamlin, Mrs. Henry E. Erwin, Mrs. W. H. Harris, Mrs. Thomas Teague, Mrs. J. H. Piekelsimer, Miss Elizabeth Ranisaur, and J. H. Piekelsimer and J. B. Piekelsimer, brothers of the stricken woman.

Earlier in the day Mrs. J. R. Hamlin, of West Asheville, had stood the test, it being found that her blood would fuse with that of Mrs. Hamlin, and a transfusion was given, which resulted in much good, the physicians stated, to the patient.

Prayer services have been held often and in many places, and special prayer offered for the recovery of Mrs. Hamlin.

FARMERS MEETING MOST SUCCESSFUL

(By J. F. Corbin)

The meeting last week at Rosman High School was a splendid success from the standpoint of attendance, some farmers came as far as fifteen miles, which is certainly commendable from the standpoint of interest in farming for those men. The first and only experiment on fertilizing corn on French Broad Bottom land was explained. The adaptability of this section for growing Irish potatoes was discussed. Experiments were shown where seed potatoes from this state had been tried in competition with seed potatoes from other states and the test showed that seed from this state showed up favorably with the other seed.

One of the most important jobs in growing Irish potato crops is now time to be done—treating seed before planting. In order to prevent three important diseases in Irish potatoes the seed should be treated before being cut to plant, as follows: Secure at the drug store one pint of formaldehyde or four ounces of corrosive sublimate and mix with thirty gallons of water in a wooden barrel, soak the potatoes in this solution one and one-half hours before cutting. Cut the potatoes and plant as usual. These materials are deadly poison and the water and potatoes after treating must not be consumed by man or beast.

STRINGING WIRES ON BIG POWER LINE

Much progress is being made on the big power lines to be strung from Greenville, S. C., to Waterville, Tenn., via Canton. For many months the big crews of the Hoosier Engineering Company have been clearing the rights of way, and now it is reported that actual stringing of the wires has been started at the Greenville end of the work.

Pete Pithoud, superintendent of the engineering company, is well pleased, he says, with the results of the work so far, and gives much credit for the good showing made to the splendid cooperation and good work on the part of the large number of Transylvania County men who are employed by his company.

REVIVAL TO CLOSE SUNDAY EVENING

Revival meetings, which have been Brevard Methodist Church since Easter Sunday, will continue through this week, concluding with the Sunday night service. Services will be held each night this week including Saturday night, beginning at eight o'clock.

The Sunday morning service will be featured by the baptism of several babies, and any who desire to unite with the church.

The pastor, Rev. A. L. Ayeock, who is conducting the special series of meetings, is continuing to preach the plain truths of the Bible in a clear-cut and telling manner, and it is felt that a deep impression for good has been made on his audience through these messages each night.

BIG SUM REALIZED THROUGH BAZAAR

Woman's Bureau Officials Are Highly Pleased With the Success of Venture.

Generally pronounced a most successful event was the Children's Bazaar, which was in operation during the past week, coming to a close Saturday night. The bazaar was sponsored by the Woman's Bureau, the proceeds going toward the fund for beautifying the school grounds.

Articles were on sale at the different booths all during the week, and dinner was served by a different committee of Bureau members each day. Programs were presented on several nights, culminating Saturday night in a thoroughly enjoyable entertainment, including selections by the toy orchestra, a miniature square dance by children of grade 1-A and other features. All the remaining unsold articles were auctioned off by auctioneer Rev. Wallace Hartsell, occasioning thereby much enjoyment for the large number of people present.

The final event of the bazaar on Saturday night was the popularity contest the announcement of which disclosed the winners to be Miss Ruth Cantrell, as the most popular young lady, and Mr. Harry Sellers the most popular young man.

It is understood that the bazaar netted a neat sum for the Bureau in carrying on the school ground beautification project, though the exact figures could not be obtained before going to press on Wednesday.

MISS SILVERSTEEN GIVEN HIGH HONOR

Miss Dorothy Silversteen has been highly honored in state and national affairs, since she has been chosen to represent North Carolina as a page in the national D. A. R. convention which meets in Washington, D. C., beginning Monday of next week.

Miss Silversteen who is the second daughter of Mr. and Mrs. J. S. Silversteen, of Brevard, is studying this year at Combes Conservatory of Music, Philadelphia. Mrs. Silversteen will accompany her daughter to the Washington convention.

LITTLE NOEL RICE CALLED IN DEATH

Little Noel Rice, the three-year old son of Mr. and Mrs. D. W. Rice, died early Wednesday morning at the home of his parents, on the Institute campus, following a brief illness of less than 24 hours. Funeral service will be held Thursday afternoon at 4 o'clock at the Institute chapel, conducted by Rev. Wallace Hartsell, pastor of the Brevard Baptist Church. Burial will be in Gillespie Cemetery.

Surviving are the parents and one sister, May, and a brother, Wilburn. Mr. Rice is a member of the faculty of Brevard Institute, having lived here only a few months.

DISTRICT MEETING TO BE HELD HERE

District meeting of the Episcopal Woman's Auxiliary of Western North Carolina will convene at St. Philip's Church, Brevard, Tuesday, April 18, in an all-day session.

The session will open with the celebration of the Holy Communion, beginning at 10:30 o'clock. Meditation will be given by Rev. James Preston Burke, rector of St. James Episcopal Church, Hendersonville. This will be followed by an address by Rt. Rev. Kirkman G. Finlay, D. D., Bishop of Upper South Carolina.

Luncheon will be served to the visiting delegates by the local auxiliary, and after the luncheon the auxiliary will be in session presided over by Miss Marjorie Weed, secretary of the Province of Sewanee.

A cordial invitation is extended to any one who cares to attend this session to be present on this occasion.

LEADERS CHOSEN FOR KIWANIS CLUB

Calhoun Henderson will have charge of the Kiwanis meeting today (Thursday) at noon, when the club meets at the Waltemire Grill in regular weekly session. Next week the meeting will be in charge of Mac Allison and the following week Fred Johnson will prepare and present the program.

These leaders were selected by the board of directors which met last Friday evening with Dr. Newland at the Bryant House.

HALL OWEN RECOVERING FROM RECENT OPERATION

Hall Owen, young Cherryfield lad, is at the Transylvania Hospital where recovering from an operation for appendicitis.

BARNETT DEATH CAUSES SORROW

Popular Man Dies Suddenly—Burial at Old Hendersonville Home.

News of the sudden death of A. W. Barnett came as a shock to the community late Saturday afternoon, when he succumbed to an attack of asthma, from which malady he had been a sufferer for several years. Funeral services were held at the Brevard Baptist Church Monday morning at 11:30 o'clock, conducted by the pastor, Rev. Wallace Hartsell, following which the body was removed to Oakdale Cemetery, Hendersonville, for burial.

Mr. Barnett, who was in his 53rd year, was at the time of his death deputy sheriff and jailer of Transylvania County, which office he had held the past several months. He had spent the greater part of his life in Hendersonville, coming to Brevard with his family in 1921, and was chief of police of Brevard for seven years after that time. He had been a Baptist all his life, and was a member of the Brevard Baptist Church. He married Miss Mary Alta Hollingsworth, of Hendersonville.

Surviving are his wife and nine children, eight daughters and one son as follows: Mrs. D. H. Gilliland, Oxford; Mrs. C. A. Jones, Asheville; Mrs. A. B. Owen, Mrs. Philip Price, Myrtle, Mrs. Alta, Margaret, Lois and Samuel, all of Brevard. In addition there are two brothers, Joe and D. S. Barnette, of Hendersonville, and six sisters, Mrs. Jerome Gilreath, of Hendersonville, Mrs. Alex McCullough, of Spartanburg, and Mrs. Dick Whitman, Mrs. Luther Lamb, Mrs. Frank Wood, Mrs. Jack Stovall, all of Jacksonville, Fla.

SUPERIOR COURT IS CLEARING DOCKET

Many cases on the civil docket in Superior Court have been continued, while others have been settled. Several divorces were granted during the week.

The case of J. Frank McCall vs. Gloucester Lumber Company was continued for a survey. McNeely vs. J. H. Piekelsimer vs. Griffin et al Hamilton vs. Rutherford, were all continued. Nichols vs. Wilkins et al was continued to make other parties of defense. Sherron Owen vs. Gloucester Lumber Company, Warren vs. Bland and Henson vs. Warren were continued.

In the case of the Carolina Power & Light Company vs. U. G. Reeves, appeal was taken to the Supreme Court.

Two Cases in which Julian Glazener and Donald Lee Moore are asking damages for personal injuries, with the Safety Transit Lines and T. C. Henderson as defendants, effort was made by the defense to have them removed to Moore County. Motion was denied and these cases will be heard at the August term of court.

Sixty days time was allowed defense in the case of Judson McCrary vs. J. C. Justice, extension given to make other parties to defense.

Clayton vs. Tinsley was decided in favor of Tinsley, and Mr. Clayton taxed with the costs.

H. E. Martin, former county attorney, suing county commissioners for professional fees alleged to be due him, asked for removal, the request being granted and the case will be heard in Hendersonville. The county commissioners have instituted counter suit against Martin, seeking recovery of moneys alleged to be due the county.

Townsend vs. Carr Lumber Company was decided in favor of plaintiff.

BAPTIST MEETING DRAWS BIG CROWD

For the purpose of fostering fellowship and to increase interest in the denominational program, a Fellowship Conference of the Baptist denomination was held at the Brevard Baptist Church Wednesday morning.

The principal speaker of the meeting was the Rev. Walter M. Gilmore of Raleigh, mission secretary of the Baptist State Convention. Pastors from different churches made short talks.

A good attendance of members of the Transylvania Association, laymen and pastors, were present at this meeting.

BIG SPECIAL SALE AT THE MCINTOSH VARIETY STORE

Of interest to the whole county is the announcement that J. B. S. McIntosh is to give up active management of the McIntosh Variety Store. Before doing this, however, the popular man announces that he will put on a special sale for his friends and is offering every article in his big store at very low prices. Read Mr. McIntosh's advertisement on another page of this paper.

Brevards banks will be closed all day Friday in observance of Halifax Day, which is a State legal holiday.

OFFICIALS MUST BE AT RALEIGH MEETING

County Superintendents and Board Chairmen Must Go to School.

Section 22 of the new school act provides that "the County Superintendent and the Chairman of the Board of Education in all participating counties in the State shall be notified by the State Superintendent of Public Instruction to meet in Raleigh on a date to be fixed by the State Superintendent of Public Instruction not later than the twenty-second day of April, one thousand nine hundred and twenty-nine, and it shall be the duty of the County Superintendents and the Chairmen of the County Board of Education of the several counties to attend said meeting, which meeting, when so called, shall be in session daily for not less than five days nor longer than one week, and at said meeting instruction shall be given by or under the direction of the State Superintendent of Public Instruction with reference to methods of efficiency and sound economy in the organization and operation of the public schools. Comparison of cost of operating schools, including transportation problems and such other matters as the State Superintendent of Public Instruction may deem wise and necessary, shall be considered and studied."

State Superintendent A. T. Allen has called the meeting as required by the new school act and states that the meeting will be called to order in the Hall of the House of Representatives on Monday, April 22 at 10:00 A. M., and will adjourn on Friday afternoon, April 26. J. S. Bromfield, Chairman of the County Board of Education and T. C. Henderson, County Superintendent of School expect to leave Brevard on Sunday, April 21, to attend this State meeting.

State Superintendent A. T. Allen, in a letter to Superintendent T. C. Henderson, states that he knows that many fine things have been done in all of the counties and that he is very anxious to get an account of these before the conference. He states that it is his purpose to cause the meeting to partake of the nature of a conference "in which we shall all together try to find out the best methods of school administration, and to discover, if possible, economies that may be practiced in the operation of schools."

LAST MEETING OF YEAR HELD HERE

Last meeting of the Transylvania division of the North Carolina Educational Association met in regular session Saturday morning with practically every teacher in the county attending.

The president, Prof. J. B. Jones, took charge of the meeting and announced that Miss Call's harmonica band and toy orchestra would feature the program for the occasion. Several selections were played by the band, showing good training and ability on the part of the children. The toy orchestra, directed by little Helen Galloway, delighted the audience with their selection.

Mr. Jones announced that Superintendent Henderson would explain the new school law, which was not explainable. He says the State Superintendents of schools will meet in Raleigh on the 22nd of April for a session of five days to study how to run the schools economically. According to his law, the load must be increased, since it goes to show that the teachers are not working hard enough, it is pointed out.

SENIOR CLASS TO ENJOY CAMP LIFE

Members of the Senior class in the Brevard High School will go on a camping trip Friday, Saturday and Sunday of this week, and much pleasure is anticipated by the group. Miss Thelma Lockman, Mr. and Mrs. Willis Brittain, Mr. Harry Patton and other teachers and citizens will be with the seniors.

None but seniors, who have given their names into the class officers will be permitted to go on the trip, it is announced, and it is emphatically stated that no one outside the school group, except the invited chaperones will be permitted about the camp while the seniors are there.

BREESE CHAIRMAN NEW ROAD BOARD

Wm. E. Breeze, R. S. Boyd and L. M. Bagwell constitute the new board of road commissioners, succeeding Thos. H. Shipman and R. F. Glazener. Prior to his death, C. E. Orr was a member of this board. Mr. Shipman resigned from the board several weeks ago, after having served for many years as chairman of the board.

Mr. Breeze has been selected as chairman of the new board.

CARRIER ELECTED PRESIDENT CLUB

Big Meeting of Stockholders Brevard Country Club Elects Directors.

NEW BOARD PLANNING FOR BIG SEASON HERE

Golf Course in Excellent Condition—Mrs. Patton Selected as Hostess.

Henry Carrier was elected president of the Brevard Country Club in the annual meeting of the stockholders last Thursday afternoon, immediately after the new board of directors had been selected. The newly elected board consists of:

Thos. H. Shipman, T. W. Whitmore, Judge Edward P. McCoy, R. W. Everett, R. H. Morrow, Hinton McLeod, J. S. Silversteen, David Ward and Fred Miller.

Brown Carr was elected vice-president and Jerry Jerome was named treasurer.

It was a most enthusiastic meeting of the stockholders, many people attending the session and adding each influence to the success of the Country Club work. It is so generally recognized that Brevard's golf course is the town's greatest asset, that citizens left off all other work in order to attend the important gathering. Fully 75 per cent of Brevard's success as a tourist center is due to the great golf course maintained by the Brevard Country Club, it has been proven.

Recognition of the above stated facts places a huge task upon the new directors and officers as selected by the board, and these, in assuming their respective places, asked the support of all the people in the community in carrying out this important work.

R. H. Morrow, W. H. Hart and H. H. Patton were appointed on the greens committee, while Rev. Harry Perry, Dr. G. B. Lynch and Hinton McLeod will serve as the house committee.

Report of the house committee explained how the Brevard Banking Company and interested individuals saved the club from serious embarrassment a few weeks ago, and by their action made possible the continuation of the golf course. Gratitude for such action was expressed by the stockholders.

Mrs. Harry Patton will be club hostess again this year.

The golf course is in excellent condition now and many people are enjoying the spring days on what experts claim to be the finest nine-hole golf course in the United States.

INJURED MAN MAKES A RAPID RECOVERY

D. W. Richardson, injured employee of the Hoosier Engineering Company, is making rapid recovery at the Transylvania Hospital. Mr. Richardson, a foreman in the construction company, was making preparation to set off a blast when premature explosion of two sticks of dynamite resulted in tearing the man's clothing almost completely from his body, and his heavy leather belt was literally blown to pieces.

Dr. G. B. Lynch brought Mr. Richardson to the hospital, where serious injuries were found in his back and leg. Mr. Richardson will soon be able to sit up.

SAPPHIRE TEAM IS ORGANIZED HERE

First real work in local baseball circles was the organization Wednesday night of the Sapphire team. Frank Gaither, well known here, was chosen manager of the team, and its sponsor, of course, is the Hon. Henry E. Erwin, magistrate, and head of the Sapphire company.

It is not known whether or not there will be a league this year as last, and should there be no arrangements made for a league, then the Sapphire team will take on games with surrounding towns.

REPUBLICAN TICKET FOR TOWN ELECTION

Registration for the town primary will begin Saturday when the books will be opened at the court house. The primary will be held on April 25, and all who expect to be candidates must, under the law, file their names at least ten days prior to date of primary.

Of interest is the announcement that the Republicans will place a full ticket in the field, "from mayor down," leading members of the party say. There has been much talk about a citizen's ticket being offered the voters to oppose the regular Democratic ticket, but this announcement is taken to mean that a strict party will be waged instead of efforts at fusion being made.
