On her return to Oakland Sunday afternoon Miss Marion Henderson had an exciting experience. A car driven by a man who tried to pass the car she was in, and without blowing his horn, ran off the road just as it was passing and turned over. She said she did not think any one was seriously hurt but it surely did give her a scare. She did not know the party, but thought they were from Rosman.

We hope every one that is interested in the Reid cemetery will bear in mind the annual working the last Saturday in April, which will be the 27th. All come prepared to do a good day's work and bring flower seeds, if you have them.

Some of the Oakland folks failed

to get to church Sunday. They did not stay away from church, but because they could not get there. We were delighted though, to hear of the appreciative congregation and the excellent sermon preached by the pastor, Rev. E. R. Pendleton, from the subject: "Jesus in the boat with you." I am sure if we would all consider our life a boat and try to keep Jesus in the boat at all times there would be more happy homes. Friends, let's try it.

We were made sad by the news of the death of one of our old friends, Mr. Tom Cantrell, who died a few days ago at his home in Jocassee, S. C. He had many friends in this county who will be shocked to hear of his death.
