

Official Minutes of Semi Annual Log-Rolling Association, April 25

Morning Session
 The Thirty-fifth Semi-annual Convention of the Western North Carolina Log Rolling Association, Woodmen of the World, met with Shelby Camp No. 518, on Thursday morning, April 25, 1929, at 11 o'clock. In the absence of President Hugh Montsith, of Shyva, Vice President S. M. Garren, of Hendersonville, called the convention to order.
 The Opening Ode was sung by the assembled delegates, and the invocation was led by Sovereign W. E. Hoger of Chatham. Hon. B. T. Falls of Shelby, delivered the welcome address, which was responded to by Sovereign Alma Jordan, of Old Fort.
 District Manager W. H. Grogan, Jr., of Brevard, addressed the convention on "New Certificates," after which he introduced the following visitors: B. B. Lewis, state manager W. O. W., Kingston; Mrs. Edie Rogers, state manager W. O. W., Raleigh; E. F. Patterson, head advisor of North Carolina, Kannapolis; Maudie Rudden, Charlotte; Mr. and Mrs. Lahe, Lincoln; Col. B. T. Hill, Wadesboro; Piedmont District Manager, J. M. Todd, Charlotte; Ma Griffin, Charlotte; Major White, Captain McCorn and Captain White, and others.
 B. B. Lewis, state manager, addressed the convention. He told of the passing of J. W. Fleet of Wilmington, who was for many years state head banker, and Hon. Grant Matthews, national treasurer for Woodmen of the World. Mr. Lewis also went into many important phases of Woodcraft. He said that Woodcraft was entering into a new day, and that all over the Sovereign jurisdiction new life and progress could be seen.

Afternoon Session
 Col. Barrington T. Hill, of Wadesboro, addressed convention. Camp and Grove reports were read by the secretary and verbal reports made by J. M. Todd, of Charlotte made a short address, followed by Mrs. Rogers of Raleigh.
 All committees appointed at morning session made their reports—the reports were adopted, as follows:
Good of the Order
 We, the members of the Woodmen Circle, feel very much interested in the growth of the society; therefore we offer a few suggestions which we hope may be helpful.
 First—Let's make our lodge rooms just as attractive as possible—just remember that it is no pleasure to meet in a dirty, neglected room, but a little CARB and PRIDE, and TIME a dusty room may be changed into one, in which any of us would be pleased to spend a restful hour.
 Second—Let us be prompt with our meetings. If we meet at 7:30, let's be there and begin at 7:30—and then let's transact the business in a businesslike manner and not let things lag.
 Third—Let's be up and doing—Let's not fail to speak a good word for our society whenever possible. By so doing we may be the means of carrying protection to loved ones who otherwise would not be protected.
 Fourth—Let's pull together—for we realize that with all members of a cross working together, much good may be accomplished.
 Fraternally submitted,
 Mrs. Jerry Bohing,
 S. L. Noblett,
 W. C. Barnes.
Uniform Rank
 We, your committee on the Uniform Rank, beg to make the following report:
 First—We wish to say that we do most heartily endorse the Uniform Rank of the W. O. W., as we feel that it is one of the greatest assets that the W. O. W. has, and it has been our observation that the Camps that are doing anything worthwhile are the ones having degree teams of the Uniform Rank.
 Second—We recommend that the members of the Uniform Rank take a more active interest in securing new business, to show it is a worth while organization.
 T. O. Grigg, Major,
 C. E. Goforth, Capt.,
 G. W. Sams, Brig. Gen.
Woodmen Circle
 Whereas, the W. O. W., and the Woodmen Circle held their semi-annual convention with Camp No. 518 and Grove of Shelby, and
 Whereas, the W. O. W. always thinks of the W. O. W. as their big brother, and
 Whereas, we desire to work, using our best ability, that the spirit of fraternity and brotherly love may grow until every home in this great nation of ours is protected by the W. O. W. and W. C.
 1. We extend our heartfelt thanks to all the good members in Shelby who made it possible for us to have this splendid meeting at this time.
 2. That we thank every one who took any part in preparing the dinner which was served at the noon hour, may God bless every one who put forth an effort toward making this noon hour enjoyable.
 3. That we thank the entire Uniform Rank for all the work they did in order to be able to do such excellent field work at the convention.
 4. That we pledge our support and co-operation in any movement that will help to spread the spirit

MISS PEARCE IS QUEEN OF MAY

Florida School Group Selects Girl Well Known in Brevard
 Miss Margaret Pearce, who is well and favorably known in Brevard, was chosen by the student body of Junior College, in Sorens Park, St. Petersburg, Fla., to be queen of the May festival, which was presented by that institution yesterday at the annual May festival.
 Although the classes voted separately as to their choice for the May queen, the final ballot revealed that the queen and maid of honor were not elected by a majority of their respective classes, but by an overwhelming majority of the student body as a whole. Miss Pearce was given the same honor last year. She was voted the best all-around girl in the college and is a popular favorite with the entire school. She is a member of the sophomore class and resides at the Junior College this year.
 Miss Pearce, who is a popular member of the younger set among Brevard's summer residents, is the daughter of Mr. and Mrs. R. S. Pearce, of St. Petersburg. Mr. and Mrs. Pearce and their attractive family have now arrived at their summer home, Flor-O-Lina, near Brevard, and intend to make this their home for a year at least.
 Miss Pearce's picture appeared in a recent edition of the St. Petersburg Times.

INDIAN SCHOOL IS ENDING BIG YEAR

Miss Susie Jordan Connected with the School—Fine Records Made
 Prospect Indian school in Robeson county marked a red letter day last week when its first graduating class, comprising 10 members, received diplomas at the conclusion of an impressive commencement program. Sixteen young people of the school completed the seventh grade. This school has recently been recognized as the only junior high school among the Indians in Robeson county, and it was under auspicious circumstances that the class of 1929 completed its course. The thriving community of Prospect, in which the school is located, was the first Indian section in the county to raise the standard of its school to the point where it could be recognized as the second only to the Indian school at Pembroke. Yet the Indians, while proud of their accomplishments, are not satisfied and want to go higher.
 Of local interest in the Indian school is the fact that Miss Susie Jordan, of Brevard, is a teacher in the high school department.

REDUCTIONS IN LIGHT AND POWER CHARGES

Hendersonville Gets Reduction That Amounts To \$11,000 per Annum
 (Times-News)
 Negotiations begun several months ago with the Southern Public Utilities company, have resulted in the prospective lowering of electric light, heat and power rates in Hendersonville, Mayor John T. Wilkins, whose administration will end in a few weeks, announced today.
 The new rates will effect a net saving of approximately \$11,000 a year, and will benefit fully five-tenths of local consumers, Mayor Wilkins said. The revised schedule will place Hendersonville on a parity with large cities in the matter of electric rates, he added.
 O. A. Meyer, local manager of the Southern Public Utilities company, confirmed the announcement, and said that the new rates will become effective as soon as the revised schedule has been filed at Raleigh and approved by the State corporation commission.
 Both Mayor Wilkins and Mr. Meyer said there was little likelihood that the new schedule would be rejected, and expressed the belief that the new rates will become effective within the next month. The new schedule was approved this week by the board of city commissioners, whose light and power committee is headed by O. Boy Keith, after it had been submitted by Mayor Wilkins and Mr. Meyer.
 "I am very much pleased to have been able, with the co-operation of Mr. Meyer and Charlotte officials of the company to work out a schedule of rates that will effect such a large saving for the people of Hendersonville and vicinity," Mayor Wilkins said. "Information obtained from an investigation of rates in large cities of North and South Carolina is the basis for the statement that Hendersonville will now have a schedule as favorable as any."
 Under the new schedule the minimum heat rate will be \$3 instead of \$3.50, while the light rate will be 8 cents a pound instead of 10 cents. Combination heat and power rates are eliminated, each consumer being metered separately for the heat and power used.

Getting the Most Out of Life
 IT is one thing to live and another to live so that one gets the most out of life. One can only enjoy himself to the fullest extent when his mind is free from worry.
 Worry destroys the brain cells which should be maintained in a high state of efficiency.
 Therefore keep away from worrying. Do this by "laying by" in the Brevard Bank surplus funds for the proverbial rainy day.
