Farmers are far behind with their work. Not many people have planted corn yet on account of so much rain.

Officers, please get busy and get hold of some of the blockaders and bootleggers that are infesting this section of the county—there seems to be plenty of both.

**SAPPHIRE RUNS OFF  
WITH PISGAH TEAM**

In a game that was full of surprises from start to finish, Sapphire defeated the strong Pisgah Forest nine on the Brevard Institute diamond Saturday afternoon to the tune of 11-3. The surprises came all through the game—some of them being startling plays on the good side of the ledger and lots of them on the bad side, with seasoned players figuring in the mix-ups that were called rotten by the fans.

Pisgah's three runs were made off four hits and eight errors, while the eleven made by Sapphire were made off fourteen hits and twelve errors.

Granger, new pitcher for the Sapphire team, pitched consistent ball, showing good form and a clear head in tight places. And coupled with his mound work was a three-base hit that scored two men before him and allowed him to score on an error. He got two hits out of five tries. McMahan, pitching for the Carrmen, sent the first seven men to the bench without so much as letting one of them hit towards the field. During the first three innings it looked like Mac and Carlos Morris were going to play the entire game by themselves. But a few costly errors in the fourth, coupled with one hit, allowed the first score, and two more were added by the Spinners in the fifth, tying the score 3-3. The Carrmen failed to score after the fourth.

Two double plays were recorded by each team, and a "flake" triple by Pisgah. Fast, quick, big-league plays were numerous on the part of the Carrmen and great big, bone-heads were pulled in the same manner, only visa versa. Both teams are showing up fine with the exception of an occasional rookie "blow-up."

**INSTITUTE ROMPS ON  
HENDERSONVILLE HI**

Captain Boucher's Institute boys took all the life out of the Hendersonville High School nine here last Friday afternoon and sent a down-cast (really) bunch of boys home with the little end of a 11-2 score.

The game was slow and lifeless on the part of Hendersonville and slow but not lifeless on the part of the B. I. boys.

Hendersonville was unable to get in communication with the twisters that young Graham for the Institute kept putting over in a steady flow, allowing only four hits and striking out eleven men.

Hendersonville scored their only runs in the fifth when an error, a walk, a wild throw and a single gave two tallies. B. I. garnered three hits in the seventh, two walks and a sacrifice and seven score were added up in a row.

The box score:

**TANNERS DEFEAT  
ROSMAN NINE, 8-3**

Transylvania Tanning company's nine defeated the Rosman outfit on the High School diamond Saturday afternoon 8-3. This is the second straight win off the Rosman boys by the Tanners, though the first game, played on the Rosman field, was a much closer affair, it going for an extra inning and the score only being 4-2.

Both teams have some good material, and are in their second year. Only employees of the two companies are being played, and much interest is being taken by fans in the "home grown" team.

Glen Galloway and Albert Payne are doing the twirling for the Tanners, while Roy Fisher and Jimmie Staton are the moundsmen for Rosman.
