article in the paper. I am not posi-tive who the writer was, but since Claude Glazener wrote last week, as guests of Mrs. Lewis' sister, Mrs. I wish to add this article: As for a slue baine put on ant

Claude Glazener wrote last week, I wish to add this article: As for a slur being put on any of the classmates, Claude is the on-ly one that thinks so. All of the boys I have talked with are proud of his success. But as to Claude's statement of it being untrue about Harry's patched trousers, I wish to say that in the presence of Miss Al-Claude, himself, made fun of Harry's patched corduroy pants. Miss Perk-ins told a friend that she only hoped Harry would make as fine a man as Chaude, himself, made fun of Harry's pickens, visiting Triends and Peter dren, Ophenia and Boyce, shert sunday is guests of Mr. and Mrs. In Mrs. Doyle Manley at the solution suita the boys except Harry wore pants. While discussing their graduation suits, Claude made this graduate in his overalls." Any other bright remark was made while Claude mark to a Junior: "Guess Harry will graduate in his overalls." Any other bright remark was made while the further will graduate in his overalls." Any other bright remark was made while the further will graduate in his overalls." Any other bright remark was made while the further will graduate in his overalls." Any other bright remark was made while the further will graduate in his overalls." Any other bright remark was made while the further will graduate in his overalls." Any other bright remark was made while the further were talking about the further were talking about the further were dinner guests of Rev. and Mrs. U. J. Eldridge and must have a lifetime job at the farmery." Don't suppose he ever thought he might have to work at the saw mill. Little did Claude think what it meant when these remarks were made, but to forget them, we can uning Monday. made, but to forget them, we can turning Monday.
