

## LITTLE RIVER SCHOOL MANY PEOPLE HERE WANTS MORE LIGHT FOR HOME - COMING

Generally pronounced a huge success, the Little River box supper held last Saturday night brought in quite a sum of money toward wiring and installation of lights in the school building. Several school children delighted the big crowd with appropriate recitations, while the string band added much to the occasion. Prof. S. P. Verner, county superintendent, made a stirring address on the question of schools.

Transylvania county's Home-Coming Week ended Sunday in a blaze of glory, good fellowship and picnic dinners such as but few kings ever enjoyed. Special sermons, especially prepared programs and all-day meetings marked the closing of the Home-Coming Week. The weather man was fin in dealing out a brand of fair, clear, crisp October days that made everybody happy.

Special programs were arranged at Oak Grove church, in the upper end of the county; at Quebec, and at English Chapel, on Davidson River. Many people who live in other sections but who once called this county "Home," visited their families and friends during the week, renewing old acquaintances, clasping hands of old friends, and gazing in rapture at the beauties of the hills. Perhaps the most auspicious event of the week was the Masonic Home-Coming event, held Friday afternoon and evening, at Dunn's Rock Masonic Lodge.

Some people go through life touching red hot poker to see if they will get burned.

One reason why part of the world is sane is that it can't afford to be anything else.

"I forget" may go in court but it won't when a woman is cross-examining her husband.

Personality may be valuable, but the fellows who hold down the best jobs don't seem to have much of an excess of it.

The trouble with labor-saving machinery is that it compels so many young men to seek a livelihood playing in jass orchestra and peddling silk stockings.
