

JORDAN NOW WITH WELL KNOWN MAN FRIGIDAIRE FIRM DIES OF PNEUMONIA

Friends of J. A. Jordan in Brevard, where he has spent the past several months, will be pleased with the announcement that Mr. Jordan has been named as representative of the Frigidaire corporation, to work in Transylvania and Henderson counties. In this county the Frigidaire display headquarters will be in the store of the Davis-Long Drug company. Mr. Jordan will be under the direction of the Reusing Light and Refrigerating company of Asheville.

The Frigidaire company is calling attention to the new device in the Frigidaire, known as the hydrator, and it is said this device adds much value to the already valuable Frigidaire.

W. J. Reusing, well known here, won another hundred dollars in gold for his excellent work during 1929. Mr. Reusing wins prizes each year, however, and this announcement is just a matter of course.

Brevard friends of Mr. Jordan will, it is believed, cooperate with him in making a record for himself in this section.

IN MEMORY OF CLARK FISHER

On December 5, God in His goodness saw fit to take from our midst one of our beloved citizens, Clark Fisher, who lived in the Big Ridge section, near Toxaway.

Mr. Fisher was 74 years old, and for some years had been a sufferer of a lingering disease.

Several years ago he was married to Miss Rhoda Owen, and to their union eight children were born, six now living and two dead. He is survived by his wife and six sons: Claud, Cleve, Lee, Mack and Ira of Big Ridge, and Sam, of Glenville. Four brothers and two sisters also survive: Mrs. Sylvanus Galloway of Gloucester and Mrs. M. M. McCall of Little River; I. S. and Simp Fisher of Toxaway; Tom Fisher of Big Ridge, and John Fisher of Penrose.

Mr. Fisher was well and favorably known throughout the county, as one of its upright and prominent citizens. He spent his life in the neighborhood of his birthplace, and to the day of his death, stood high as an upright Christian gentleman. The evidence of his hold on the people with whom he had spent his life, was well demonstrated in the tender care and sympathy shown by his neighbors and friends in the last days of his sickness. They came ready, willing and anxious to contribute whatever they could toward his comfort.

Funeral services were conducted at Big Ridge church, by Rev. Mr. Crawford, of Glenville, and interment was made in the cemetery near the church.

Poison is drunk out of gold.

Rufus Conley, aged 45, died Thursday at his home, following an illness of only a few days with double pneumonia. Funeral services were held at the Glad Branch Baptist church Sunday afternoon, the service being conducted by W. S. Price Jr. The body was laid to rest in the Glazener cemetery.

An overcrowded house attested to the esteem in which Mr. Conley was held by his friends. He leaves his wife and five children, besides a mother, three brothers and three sisters to mourn his going.

Pallbearers were: Glenn Burrell, Roy Burrell, Tom Wood, Branch Grogan, Floyd Hensley, John Ashworth.

CHECKERBOARD IS SIGN OF MEANING

Anyone who has passed down East Main street recently, has undoubtedly been impressed by the brilliant display of red and white checkers emblazoned on the front of the B. & B.'s feed store. To the uninitiated let it be known that this unique store front is not meant to be a battling ground for followers of the grand and glorious game of checkers, but is the official trademark of the Purina Mills of St. Louis and its checkerboard products. The B. & B., in having their store checkerboarded, is only taking this means of letting the public know that they are handling the celebrated Purina line and that he is ready to do business with any and all feeders in this district. "We have the goods and we can give the service," says Mr. Brittain, "and now it's your move." If feeders want to lower their production costs and give their poultry and livestock the best and most perfectly balanced ration on the market today, they know they can always get it by coming to the checkerboard store.

NOTICE

North Carolina, Transylvania County.

Mrs. Sam Wyatt and Joe Bradley motored to Weaverville Friday to see the former's brother, Mr. Lunsford, who is ill.

Mr. and Mrs. Lem Daniels entertained with a farewell dance in honor of Misses Annie Mae and Evelyn Cagle, Monday night. About ten couples enjoyed the occasion.

Misses Roselle Allen and Nina Bryant were week-end guests of Mrs. Frank and Frances Allen.

50 horsepower six-cylinder engine

Not until you drive the new sustained high speeds. Its power Chevrolet Six can you appreciate what a wonderful improvement has been made in its famous six-cylinder valve-in-head engine. With its capacity increased to 50 horsepower, it has great reserve energy for sweeping up the steepest hills—for swift acceleration—and for flows evenly and smoothly. And it is extremely flexible in traffic. In fact—it does everything you could possibly want a motor to do. Yet it is remarkably economical in its use of gasoline and oil. Come in today for a demonstration.
