**FORTNIGHTLY CLUB MEETS WITH MRS. WIKE**

Members of the Fortnightly club met Thursday afternoon at the home of Mrs. J. C. Wike for the regular fortnightly meeting. The president, Mrs. J. E. Loftis, presided over the meeting.

Included in the transaction of business was the vote of the club to give five dollars towards the loan fund for the education of worthy college girls as sponsored by the National Federation.

An interesting program was in charge of Mrs. H. E. Boucher, who spoke on Famous American Painters, telling something of their life, struggles and accomplishments, and showing illustrations of some of their paintings.

Following the serving of delicious refreshments by the hostess, the club adjourned to meet on March 27 with Mrs. Goode Loftis, the program being in charge of Mrs. W. H. Underwood.

**MRS. KIMZEY IS HOSTESS TO MATHATASIAN CLUB**

Mrs. Patton Kimzey was hostess to the members of the Mathatasian club Thursday afternoon at her home on Park avenue.

The program of the afternoon was in charge of Mrs. Brown Carr, who gave an interesting review of Belloc's book, "Marie Antoinette," discussing among other things, the French Revolution.

In addition to the members, guests present included Miss Louise Kimzey, Miss Keels and Mrs. Motta.

The next meeting will be held on March 27 at the home of Mrs. Harold Norwood, with Mrs. Kimzey as program leader.

**MISS WATERS ENTERTAINS WITH A DANCE**

Miss Almeta Waters entertained Friday night a number of her school mates with a dance at her home on Park avenue. The social event occurred following the junior-senior banquet at the Blue Moon.

Those enjoying the occasion were: Jean English, Rebecca Summey, Mollie Snelson, Martha Vaughn, Gladys Wood, Madeline Paxton, Elizabeth Mills, Sara Louise Andrews, Paul Schachner, Joe Schachner, Henry Erwin, Ruel Hunt, Baxter Black, Langdon English, Tom Patton, Hays Shipman, Moultrie Truluck, Glen Miller, Robert Duckworth, Paul Kellar.

**EASTERN STAR MEETS NEXT TUESDAY**

Regular meeting of the Order of the Eastern Star will be held next Tuesday night at 7:30 o'clock at the Masonic Hall. Installation of officers will take place at this meeting.

**HOMEMAKERS CLASS HOLDS REGULAR MEETING**

Regular meeting of the Homemakers class of the Baptist church was held Tuesday afternoon in the class room.

A short business meeting was held during which business pertaining to the class was transacted. Following the business session a pleasant social hour was spent.

**LIVINGSTON CIRCLE ENTERTAINS OTHER CIRCLES**

The Livingston Circle of the Baptist church will entertain the other two circles of that church Friday night with a measuring party at the home of Mrs. A. M. Case. The other circles joining in the entertainment feature will include the Blanche Barrus circle and the Fannie Heck circle. Five cents for every foot tall will be taken, instead of five cents for every inch, as stated in the invitations sent out.

**BLANCHE BARRUS CIRCLE IN INTERESTING MEETING**

An interesting meeting of the Blanche Barrus circle of the Baptist church was held Tuesday afternoon at the home of Mrs. Brown Carr. Mrs. Roy Long, chairman, presided over the meeting and led the devotionals.

Mrs. Harold Norwood gave a most interesting program, discussing a chapter of the book, "Glimpses of Missionary Life," by Addie Estelle Cox and Mrs. Blanche Rose Walker. The following committees were appointed: Program committee: Mrs. Grady Kilpatrick and Mrs. Coleman Galloway; sick visiting committee, Mrs. Ralph Osborne and Mrs. Harold Norwood.

Pleasing decorations in green and yellow, carrying out the St. Patrick color note, were emphasized in the bowls of spring flowers and in the refreshments served at the conclusion of the meeting.

The circle adjourned to meet the third Tuesday in April at the home of Mrs. Ralph Duckworth.

**BOWLING ALLEY OPEN TO LADIES**

Announcement is made in today's paper that each Friday afternoon will be set aside at the City Bowling Alley for the use of the ladies of the town. Manager Terry states that several ladies made request that this action be taken, so the ladies could learn the art of bowling. During the first few weeks the gentlemen who patronize the place are asked to remain away on Friday afternoons, at least until the ladies have learned the game, or express their desire to have the gentlemen present.

Manager Terry expressed gratification that the people who have been playing at his place have assisted him in keeping it in a high-toned manner.

**BOYLSTON NEWS ITEMS**

Mr. and Mrs. Jesse Simpson of South Carolina, visited Mr. and Mrs. J. L. Simpson last Saturday night.

We are glad to know that the farmers in our community are taking so great an interest in their farm work, as there has been considerable plowing and preparing for a lot of truck farming during the last few weeks.

Carl Orr has lately prepared a late roasting ear patch.

J. M. Patton planted his onions recently, and after he had gotten them planted, he found that he had planted on the wrong time of the moon, but he said he did not try to take them out of the ground, because they were coming up before he planted them.

Furman Reece has joined the live-at-home plan and is trying his hand at farming this year, because he says he cannot follow public works and farm, as he has worked on public works until his farm has "delapidated."

Uncle Tom Hollingsworth has been preparing a potato and cabbage

patch and found where a mole had run under the ground in his potato patch, and traced that mole to a large apple tree, and started with shovel and matto to dig him out; and worked for about six hours until he had completely grubbed the tree up; then called in some of his friends and relatives to help roll the tree out of his way, but he let the mole get away.

J. L. Ledbetter has recently installed a radio and has been entertaining his friends.

Lee Scruggs has also purchased a radio.

Wesley Allen of Holly Springs, visited his uncle, Thomas Duncan, last Sunday.

**CHERRYFIELD NEWS ITEMS**

**ROLLIN'S FIFTH AVE. SHOP**

To secure the styles of tomorrow today in Ladies Dresses, we urge you to pay a visit to Rollin's Fifth Avenue Shop located in the Hunter Building on Fifth Avenue, just off Main street in Hendersonville. This establishment occupies a distinctive place in the distribution of smart wear and conducts a fashion center for ladies and misses from all over this part of the state.

You will look like a wonderful somebody from somewhere, just as if you had been a life long customer of a Paris shop or had visited the most exclusive shops of the Avenue in New York if you do your shopping here as they have the very latest, in fact anticipations of the styles of the morrow. The management visits those creators of fashion who know

what, tomorrow, will be popular; is an excellent judge of style, materials and finishings and secures for the people of this part of the state choice importations and American-made products from the latest models.

In the way of reasonable dresses they carry the very largest patterns from which to select. They stand back of all goods they sell and as a consequence the ladies over the adjoining territory have great confidence in the reliability of this store. No matter whether it is a morning, afternoon, evening or sport garment that you desire, you will find here a very complete stock.

The service at this store is individual. The salespeople are students of the types of people, the correct styles of the day and of excellent

judgment, thus being able to aid in the selection of garments that are very becoming. This service is helpful but never obtrusive and no one is urged to buy. They do not want to sell you anything that they know you will not like as they are not looking for a sale, but customers who depend on their service for years for the coming fashions.

In this edition we are glad to compliment them upon their modern store, its excellent appointments, their stock of advanced styles and their modern service. The fact that they are responsible for so many smartly attired people of this part of the state and add much to the charm of the dress of the period makes them merit the large custom they enjoy and the commercial success which they have achieved.

**THE NEW SUPER-AUTOMATIC KELVINATOR**

With Iso --- Thermic Tubes . . . . Introducing Amazing New Advantages in Balanced Electric Refrigeration

**ON DISPLAY NOW**

**KELVINATOR**, never deviating from its path of making electric refrigeration even more trouble-free, more convenient and more economical, has designed its newest product to be **100% automatic in operation.**

There is nothing to regulate—whether you want speedy freezing of ice cubes and desserts or delicate foods kept at their palatable best for hours and days at a time.

**Iso—Thermic Tubes —A Startling Advance In Electric Refrigeration**

A new Kelvinator discovery—**Iso—Thermic Tubes**—makes possible far faster freezing of ice cubes. For example, the mere placing of a tray of water in a special ice compartment concentrates intense freezing power in this direction. Ice is ready in a remarkably short time. Desserts in a correspondingly brief period. Yet food compartments remain always at the same safe temperature—between 40 and 50 degrees—neither too warm nor too cold.

Not content with bringing you the finest automatic care of food and far faster freezing of ice cubes, Kelvinator surrounds this more efficient service with fresh beauty and sterling quality in cabinet construction.

**New Metal Cabinets—Will Last a Life-time** Each new Kelvinator—and they are priced as low as \$185, f. o. b. Detroit—is of rugged metal construction porcelain-lined throughout to permit easy cleaning.

Massive chromium-plated hardware in dull finish adds to the attractive appearance and durability of these models. Larger models are equipped with separate cold storage chambers and are electrically lighted.

To know how much more value your refrigerating dollar now commands, see the new Super-Automatic Kelvinators on display at our showrooms. You will be surprised to learn how easily you may enjoy Kelvinator's many new conveniences immediately under our Monthly Budget Plan.

**Features Which Place Kelvinator Years Ahead in Modern Refrigeration—**

- 1** Iso—Thermic Tubes — giving new fast freezing of ice cubes and desserts. Fully automatic—no regulation needed.
- 2** Balanced Refrigeration — separate temperatures for food preservation, cold storage and ice freezing.
- 3** The Cold-Keeper—Holds cold over longer periods—thus reducing operating periods of mechanical unit.
- 4** Abundant Ice Supply—Capacities up to 35 pounds of ice at a single freezing. New flexible rubber ice tray.
- 5** New Metal Cabinets, Porcelain Lined—Last a life-time without deterioration. Larger models electrically lighted.
- 6** Generously Powered—Each Super-Automatic Kelvinator shows 100% overload capacity under test in room with 100 degree temperature.

**We are making a special offer on the new model Kelvinators—YOU can have one—Come in and investigate while this offer is still on.**
