## PROMINENT LAWYER VISITS IN BREVARD

Hon. Walter R. Cupp, attorney, of Washington, D. C., was in Brevard several hours Wednesday, and expressed keen appreciation of the beauty of this section. Mr. Cupp is a retired army officer, and came to this section on the invitation of R. R. Fisher who met Mr. Cupp while the Brevard lawyer was in Washington recently.

Mr. Cupp has spent several days with the Gillespies at Lake Toxaway, and spoke highly of the fine entertainment he has received here. He plans to return to the county in May, when he can get pictures of the Rhododendron and other mountain flora.

### THE COOK STOVE APOSTASY

The early church in the upper room.

The twentieth century church cooks in the upper room.

Today the supper room has taken place of the upper room.

Play has taken the place of prayer and feasting the place of fasting.

There are more full stomachs in the church than bended knees and broken hearts.

There is more fire in the kitchen range than there is in the church pulpit, and ice cream chills the fervor of spiritual life.

The early Christians were not cooking in the supper room the day the Holy Ghost came, but they were praying in the upper room.

They were not waiting on tables, they were waiting on God. They were not waiting for fire from the stove, but for fire from above. They were detained by the command of God, and not entertained by the cunning of men. They were filled with the Holy Ghost and not stuffed with stew and roast.

O, I should like to see the cooking squad put out, and the praying band put in. Less ham and sham and more heaven. Less pie and more piety; less use for the cook and more use for the old book; put out the fire in the church kitchen and build it on the church altar—more love and more life and fewer dinners, and go after more sinners.

Let us have a church full of waiters, waiting on God; a church full of servers, serving God and waiting for His dear Son from heaven.

"Watch, therefore, for ye know not the hour that the Son of Man cometh."

—THE King's Business.

### QUEBEC QUIRKS

Mrs. Beulah A. Loving and children of Easley, S. C., spent last week-end with Mrs. Loving's parents, Mr. and Mrs. Gideon Miller, of this community.

Born to Mr. and Mrs. Alford Owen, a son, weighing only four pounds.

M. C. Thomas has been seriously ill for several weeks. His condition is still critical.

James Henderson spent Monday night of this week with Otto Jones. Both are seventh grade pupils of Lake Toxaway school.

Aline, Ella Mae and Irene Owen spent Friday night of last week with Elsie Miller.

Mr. and Mrs. Elbert Whitmore of Easley, spent last week-end with relatives in the Quebec community.

Mrs. T. C. Henderson and Miss Birdell Henderson attended services at Lake Toxaway church last Sunday afternoon. They walked, following a mountain path across Pole Cat mountain. Some thought it rather unusual that they would venture to cross Pole Cat to attend church.

Mr. and Mrs. C. K. Osborne, Mrs. Eck Sims, Miss Katherine Osborne and other members of the family were welcome visitors Sunday afternoon at the home of T. C. Henderson last Sunday afternoon.

Rev. E. R. Pendleton filled his regular appointment at Oak Grove Baptist church last Sunday morning. Those present at the service appreciated and were greatly edified by the excellent sermon.

There is some kind of animal of unknown identity roaming through the forests of nights in the regions round about Quebec and Lake Toxaway. Some think it is a lion or a tiger or ape that has somehow escaped the jungles of tropical Africa and has taken up its abode in the Sylvan forests of these Blue Ridge mountains. Some believe it to be a native American, being either a wolf or panther or mountain lion. Whatever it is, it has been seen and heard by a number of people of this community. It is supposed to have killed certain sheep and hogs of the community and the boys and girls are afraid to venture out at night for fear it might mistake them for lambs. One man discovered it following him as he went from his work one night. He ran toward it with his axe drawn ready for the attack. The beast immediately left the road and disappeared into the forest.

Most of the people of this community are busily engaged in their gardens, preparing the soil, planting onions, peas and early potatoes, and getting ready for other food crops in order that they may have the provision necessary to keep soul and body together unless the big taxes on the little homes drive them to untimely graves.
