**U. D. C. Sponsoring Picture To Be Shown Next Week— Reported as Good**

On Monday and Tuesday of next week the people of the community will have an opportunity of seeing one of the greatest pictures on the screen, and at the same time materially assist that most worthy institution—the U. D. C. Library. This great picture, Rio Rita, will be shown at the Clemson Theatre Monday and Tuesday, April 28 and 29, under auspices of the U. D. C. Library. The library will receive a large percentage of all the admissions paid to this show.

Rio Rita is the picturization of the romance of a Texas ranger and a beautiful Mexican senorita. The management of the Clemson Theatre endorses this picture as being two hours of the greatest entertainment ever presented at the Clemson.  
 The library in Brevard is one of the most helpful institutions of the town. It is something that is of great value to the citizens twelve months in the year, and is the center of interest to the tourists who come here to spend their money in the summer season. The ladies who have shouldered the responsibility of supporting and maintaining the library have every right to expect the fullest co-operation in this effort to raise needed funds for carrying on the library work. It is hoped that all citizens will meet and greet the ladies of the U. D. C. library committee in a genuine spirit of helpfulness in packing the Clemson Theatre next Monday and Tuesday, for each admission to Rio Rita means just so much money to the library. The library belongs to the public and is used by the public, and is most beneficial to the public, therefore the public ought to assist the ladies in carrying on the work. It is believed a greater interest than ever before will be shown in this effort of the U. D. C. to raise funds for the library.

Showing up in great form, the Brevard High School baseball nine defeated Blue Ridge on McLean Field last Thursday by the score of 11-5.

Brevard showed a better general team throughout the entire game than did the visiting Ridgers, and this, coupled with the ability of the locals to hit, was responsible for the trouncing.

Payne was in good form and struck out twelve of his opponents, allowing but six safeties and besides, contributed to his teammates' score by slamming out a two-bagger with two men on. Three pitchers were used by the visitors in an effort to stop the Brevard aggregation from their methodic hitting.

The **SUN** pours fragrance into these tobaccos

LONG BEFORE the choice leaves of golden Turkish and velvety brown Domestic tobacco are selected for Camel Cigarettes, nature's own alchemy has worked a miracle in them that no effort of man can hope to duplicate.

Every tiny leaf-cell is irradiated—stored full of goodness by the clean, pure vigor of the sun!

Our share in the making of Camels is to see that all of the fragrance, mildness, mellowness, aroma—in a word all of the natural goodness of these sun-ripened tobaccos is preserved and developed—then to combine them into the smooth, delightful harmony of the famous Camel blend, and manufacture them into cigarettes by the most modern methods known to the industry.

You can taste the natural goodness in every delicious puff of a Camel Cigarette.
