

INSTITUTE ROMPS HENDERSONVILLE HI

Local Aggregation Piles Up Eleven to Five Score for Their Second Win

Brevard Institute's baseball nine romped all over Hendersonville High on McLean Field Tuesday afternoon, final score being 11-5, for the second win over the neighboring city team.

Big thrills were given the fans during the fracas that was a win from start to finish for the local team. Agular, snappy little shortstop for B. I. furnished one of the outstanding performances when he smacked one over the fence with one man on. "Aggy" got four out of five tries.

The pitching of Tommy Graham was excellent. Only once, in the seventh, was he ever in danger. He had steam, breaks and all the necessary stuff that goes to make a ball game interesting. Six men in the last two frames went out via pitcher to catcher route.

Col. Boucher is justly proud of his aggregation. They are playing a snappy brand of ball and deserve much better support than has been accorded them this season.

PENROSE PEN POINTS

More than fifty persons met with Julian Glazener at the Penrose school house last Tuesday to see him complete the seed corn test. Another farmers' meeting will be arranged soon. Mr. Glazener promises the young folk a good "movie" at the next meeting.

Closing exercises for Penrose school were held Monday night. Our boys and girls recited their pieces and gave their plays in a creditable manner before a packed auditorium. The writer regrets that other duties prevented his meeting and speaking to all the kind friends and patrons present. A feature of the evening was an address by Prof. S. P. Verner, county superintendent of schools. Mr. Verner first addressed the audience in his forceful manner, speaking of education and teaching in a way which showed knowledge gained by long faithful work in his chosen field of education. Then he spoke to the members of the seventh Grade, the graduating class, in a touching manner congratulating them on their completing the seventh grade work and pointing them onward and upward along the way.

During the evening a history medal given by the D. A. R. was presented to Frederica Maxwell for excellence in the study of history. This was presented by Mr. Verner. A like medal was presented to a seventh grade student from Little River at the same time.

HOLT'S CREW LOST IN LONG BATTLE

Holt's crew lost to a team from Hendersonville on McLean Field last Thursday afternoon after eleven innings had been played. Final score was 10-9.

The game was nip and tuck from start to end, with Brevard piling up a lead only to be overhauled by the visitors. Simpson, pitching for the locals, had a very good day, and but for several costly errors would have easily won his game.

Several games are scheduled to be played here by the Brevard aggregation before the formal opening of the Tri-County League on May 15.

Mrs. Floyd Barnes was a visitor of her sister, Mrs. John Brown, of Brevard, recently.

The fathers and mothers are invited to attend the B.Y.P.U. meetings. Good work is being done, but it is felt that with a little encouragement from the older folk, much more could be accomplished.

BREVARD HIGH SHUT BLUE RIDGE OUT

The Last Game of the Season Was Brilliant Win for the Blue Devils

Going to Blue Ridge for the last game of the season, Brevard High shut the prep school's baseball nine out, getting a 10-0 decision.

Eight strike outs were credited to Payne during the seven-inning game while the entire pitching staff of the Blue Ridge outfit were unable to stem the hitting tide of the local nine.

Snappy infield and outfield work was noted for the High team, only two miscues being chalked up. Every member of the team was star, according to fans from Brevard witnessing the game.

Much good new material has been developed by Coach Tilson during the season, and several of the boys are scheduled to play on the Brevard team this summer which will participate in the Tri-County League being formed.
