SIMS IN TO THE FINISH

To the Democratic Voters of Transylvania County:

It has been circulated in some quarters that I would withdraw from the race for the Democratic nomination for Sheriff. This rumor is a trifle premature. I will be in the race until the votes in the primary are counted. Then I will be actively, and with all the energy I possess, for the nominee, regardless of whether the nominee is Mr. Patton, Mr. Reid, or myself.

If I should be fortunate enough to win the nomination and election, I would, as part of sheriff's duties, patrol the highways during the school months for the protection of school children, and at night, especially to furnish protection from reckless and drunken drivers. Would also use the bloodhounds, free of charge to the citizens of Transylvania County.

Thanking you for the votes I expect to receive, I am,

Respectfully,
ECK L. SIMS. advt p

How Long Should a Wife Live

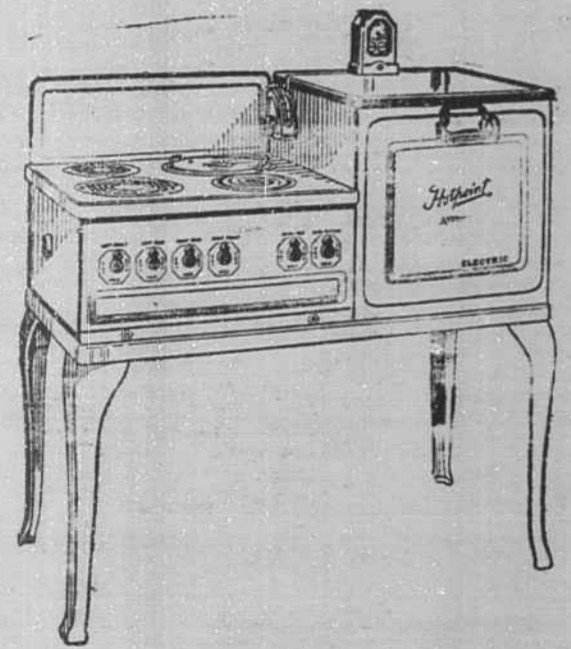

This was the subject of a talk by Bruce Barton, well-known author and advertising man. The answer, in the old days, was "not very long." . . . Of interest to every woman is the following, taken from his talk:

"Do you know what happened to the Pilgrim Mothers? I will tell you. They died. They died young. It took two or three of them to bring up one family. The fathers were tough and lived long, but work and hardship made short work of the wives."

It has been truly said that you can measure the height of any civilization by the plane on which its women live. By that standard, we have made great progress in the United States, but we have not made enough.

For instance . . . many women (some through necessity perhaps, some because they do not know better) yet cling to the old antiquated methods of cooking. They slave and toil and spend needlessly with an old cook stove, when they could be using a modern, economical, quick, labor and life-saving Hotpoint Electric Range! Don't let YOUR wife do it! She will surely live longer and be happier if you buy her one NOW!

Our 8th annual Hotpoint Electric Range Campaign now on offers you an exceptional opportunity to buy your wife an Electric Range for during this campaign—
