WEIGHED ONLY 99 POUNDS; GAINS 32

"I only weighed 99 pounds when I started Sargon but I weigh 131 now and feel better and have more strength than in 20 years. My digestion was so bad that I couldn't

MRS. FANNIE CAUBLE

eat anything but bread and milk. I lost weight rapidly, had terrible pains in my back and sides, and a rheumatic condition developed all over my body. For months I could not turn myself in bed or even move without help. I was told I couldn't live and I'd lost hope of ever finding relief. But Sargon changed my whole life. I am eating anything I like without the least indigestion and I'm so strengthened and invigorated that I do all my housework and milk the cows too. There isn't a pain left in my body and I actually walked three miles the other day to a school house to attend a meeting.

"Sargon Pills cleansed my system of poisons, put my liver to work and ended my constipation."—Mrs. Fannie Cauble, R-2, Box 80, Fletcher, S. C.
