

**VOWS THAT BREVARD IS PRETTIEST SPOT OF ALL**

Mr. W. L. Dunbar, who is visiting his sister, Mrs. Elizabeth Murray, is loud in his praise of this community. He has been coming to Brevard for the past twenty-five years, and finds new beauties in the mountains each year, he says. Mr. Dunbar is from Atlanta, and gives the cheerful information that Brevard is becoming better known to Atlanta each season. He believes, however, that Brevard should be more thoroughly advertised in the Georgia city, because there are hundreds there who know nothing of the attractions here, and would become regular visitors to Brevard if they knew about it.

**WINSTON ASHWORTH IN NARROW ESCAPE**

Winston Ashworth and Robert Scruggs escaped serious injury last Sunday morning when the car in which they were riding collided with a car driven by Andy Tipton, at the Yancy McCrary filling station, north of town. The Brevard men were going toward Hendersonville while the Tipton car was approaching Brevard. In trying to pass on the highway, the front wheel on the Tipton car was taken off, while the other car turned over, and was thrown up between two gas pumps of the filling station.

Mr. Ashworth was thrown under the car, and suffered many bruises. Dr. Newland attended the injured man. Mr. Scruggs escaped without any injuries. Two children in the Tipton car were thrown out, but were unharmed.

Mr. Ashworth's wife is in the hospital at Hendersonville, and Mr. Ashworth was on his way to visit her. The Tipton car was on its way to the decoration in Gloucester. Occupants of that car were taken back to their home on Little River.

**Lower Prices and Greater Values!**

**WE WANTED** the advantages locally, that Firestone has nationally, for reducing our costs and building volume business on small profits.

**A Department Store for Your Car**

Our costs are also reduced by several different lines instead of one. We sell and service the complete Firestone line, including Tires—Tubes—Batteries—Brake Lining—Rims and Accessories. Instead of buying these items from several different places, we get them from nearby Firestone branches or warehouses—all from one place on one shipping order—one handling.

**Our Costs Are Lower Your Savings Greater**

Firestone leads in bringing down prices. Firestone leads in new tire improvements and builds more miles into tires than any other manufacturer. Every advantage Firestone has in world wide resources—buying rubber and cotton at the lowest prices—is put right back of us for the benefit of our customers. Result—you get more in value for less in price. The name "FIRESTONE" on every tire is the pledge of the manufacturer that the tire you buy is the best you can obtain for the price you pay.
