YOUR DOG BE HE Hound, Cur, or Blooded HE IS YOUR DOG AND His Life is in your Hands

A DOG... man's trusting companion... man's willing helper... man's delightful playmate... almost half-human he is! How much he must depend on you for the things he needs. He can't tell you with words what he wants. But he can with signs... an anxious eye and a wagging tail at meal time—that he wants a feed he likes... a feed that does him good. If he could write it down, ten chances to one it would read, "Purina Dog Chow!" And it's easy to see why. Cod-liver oil... buttermilk... barley malt... dried meat... molasses... these five and six other ingredients... each one giving the dog something he wants. Mixed in just the right proportion... pressed into handy-sized nuggets... rolled into Checkerboard bags... ready to feed. A feed that's so chewy... a feed he likes so much... a feed that does him good!
