DISTRICT SINGING HELD AT LITTLE RIVER CHURCH

The District Singing convention met at the regular hour last Sunday afternoon at Little River church. The afternoon was well spent in fine singing, and greatly enjoyed by the large congregation that was present.

The people had the pleasure of hearing two fine quartets from Greenville. The Carolina Ladies Quartet, and the Poly Phonic Male Quartet. They were well received and their singing was greatly appreciated.

We, as a convention, want to bid those fine talented singers Godspeed as they go from place to place in spreading the gospel in song. May they be used as instruments in God's hands.

Many thanks to the people for voting the convention back to Rosman for the Third Sunday in November. We promise you that we will endeavor to make it one among the very best meetings the folks have ever enjoyed. Promise has already been secured of some fine quartets that say they will be with us on that day.

THE PRAYER CORNER

THE LOVE OF FREEDOM

"For ye, brethren, were called to freedom" — Galatians 5:13.

Election Day draws near. Join with me in these stirring thoughts on THE LOVE OF FREEDOM:

"Nothing is more difficult to preserve than the True Love of Freedom in a Free Country."

"Being habituated to it, men, and women too, cease to consider by what sacrifice it was obtained, and by what precautions and safeguards it must be defended."

"We need also to have a clearer conception of what Real Freedom is—It is not a state of things in which every man and woman does exactly and only what they like."

"It is rather a state of mind in which men and women like to do what they can, what they may, and what they ought."

"To enjoy it a man or woman must have some knowledge of their natural powers, their civic privileges, and their moral duties."

"By knowing and accepting these they become free to realize their best selves as members of mankind. Liberty itself is the great lesson, and in learning it we need teachers—the wise, the just, the free of all ages."

"Most of all, we need the help of Religion, by which alone the foundations of the State are laid in Righteousness and Democracy is saved from its own suicidal tendencies."

"If the Son therefore shall make you free, ye shall be free indeed." "Stand fast therefore in the Liberty wherewith Christ had made you free, and be not entangled again with the yoke of bondage." John 8:36; Galatians 5:1.

"He is the Free man whom the Truth makes Free."

And all are Slaves besides."

A PRAYER FOR FREEDOM

Dear Lord, we do thank Thee for our land. We love it. Help us to love it intelligently, and to serve its needs with all our heart. May we be loyal to our Heritage because we are grateful to Thee. May we be active in our duty because we know we are Sons and Daughters, and may our Sympathy be so inspired by Thee, that human need may never call in vain. God bless our land, make her Rulers righteous and her People true. And so hasten Thy Kingdom.

O Thou Blessed Son, take possession of my heart, my reason, my understanding, my will. Enthroned Thyself in the empire of my being, that in Thy sence of mastery I may learn for the first time what it is to be free, and know what it is to be at rest. When I shall take Thy Yoke upon me I shall find rest unto my soul, for the yoke of Thy Love is Perfect Joy, and the Law of Thy Life is Perfect Liberty.

So shall I know what The Love of Freedom truly is; and be indeed a loyal citizen and a true follower of Thee, in whom alone True Freedom is, for if Thou make me Free, I am Free indeed. In Thy name and for Thy sake I ask it, Amen.

CARD OF THANKS

We want them to know that their generosity is highly appreciated, and pray God's richest blessing to rest upon each and every one who were so thoughtful for our welfare.

Yours very truly,
Rev. and Mrs. J. L. Bragg.
