ADAMS-CANNON

The following, taken from The Pickens Sentinel will be of interest to many people in Transylvania county. Dr. Ruhl Cannon is a former Rosman boy, grandson of Mrs. S. E. Whitmire:

Mr. and Mrs. S. L. Adams announce the marriage of their daughter Ethel Clara

to Dr. Ruhl Cannon Sunday, June twenty-first nineteen hundred and thirty-one Greenwood, South Carolina. This announcement is of unusual interest in Pickens. The happy event took place at the home of Mr. and Mrs. J. H. Singleton, Edgefield avenue, Greenwood.

The bride wore a stunning traveling dress of white and blue. A white blouse was worn with dark blue coat and skirt of becoming lines, and with them, blue and white gloves, dark blue hat, and carried a pocketbook of the same color. Her flowers were a corsage of sweet peas.

Mr. and Mrs. Cannon are among the very finest young people of the community and both are unusually popular. The bride is attractive of person and manner, and has a clever mind and pleasing disposition. For several years she has been a very efficient stenographer here.

The bridegroom is a son of Dr. and Mrs. J. A. Cannon, and is a pharmacist at the Keowee Pharmacy where his efficiency and courtesy have not only made many friends for that store but for himself. Outside of business his conduct is also always beyond reproach. He is a clean cut citizen of sterling worth.

Friends are wishing for them a long, happy and useful life. Immediately after the ceremony Mr. and Mrs. Cannon left for a short wedding trip and will be at home in Pickens to their many friends upon their return.

FROM MR. RANDOLPH

It gave me much pleasure in having the privilege to serve the people at Cathey's Creek as leader of the singing class during the revival services last week.

I wish to thank each one of the class for their fine spirit of cooperation in helping to make each service better. Also for the kind hospitality that we had the pleasure of enjoying in each home we visited. May the Lord continue his rich blessings on Brother Chapman and his pastoral work at Cathey's Creek.

E. D. RANDOLPH.

Don't Rasp Your Throat With Harsh Irritants

"Reach for a LUCKY instead"

The great Lord Tennyson in a beautiful poem refers to a woman's Adam's Apple as "The warm white apple of her throat." Consider your Adam's Apple. Touch it—your Adam's Apple—That is your larynx—your voice box—it contains your vocal chords. When you consider your Adam's Apple you are considering your throat—your vocal chords. Protect the delicate tissues within your throat. Be careful in your choice of cigarettes. Don't rasp your throat with harsh irritants! Reach for a LUCKY instead. Here in America LUCKY STRIKE is the only cigarette which brings you the added benefit of the exclusive "TOASTING" Process, which includes the use of modern Ultra Violet Rays. It is this exclusive process that expels certain harsh irritants present in all raw tobaccos. These expelled irritants are sold to manufacturers of chemical compounds. They are not present in your LUCKY STRIKE. And so we say "Consider your Adam's Apple."

LUCKIES are always kind to your throat
