CANTRELL-McCRARY TO BE MARRIED ON THANKSGIVING

Of much local interest is the announcement of the engagement and approaching marriage of Miss Ruth Furn Cantrell to Mr. Charles William McCrary, to be solemnized on November 24.

Announcement of their plans was made at a lovely dinner party given in honor of Miss Cantrell by Miss Elizabeth Mills at the home of her parents in North Brevard last Friday evening at seven o'clock.

The Mills home was beautifully decorated for the occasion, the color scheme of yellow, green and white being carried out in every detail. Place cards representing messengers carried the announcement of the marriage with the inscription, "Ruth and Charlie, November 24" and was further carried out in the unique tier cake which was topped with a miniature bride and groom and the white wedding bell attached to the chandelier. Covers were laid for eight.

Miss Cantrell is the daughter of Mr. and Mrs. J. O. Cantrell a very popular member of the younger social set who are offering congratulations to the young couple.

Mr. McCrary is the son of Mr. and Mrs. J. A. McCrary.

GIRL SCOUTS HOLD WEEKLY MEETING

The Girl Scouts of Troop No. 2 held their regular meeting Tuesday afternoon at the home of Mrs. C. A. Shuford, who has kindly offered them the use of her home in which to hold these meetings for the balance of the year.

The meeting was devoted to a discussion of business matters.

There were 25 in attendance. Miss Baulah Mae Zachary, Miss Ethel McMinn and Miss Lillian Jenkins are the leaders.

GUESTS HONORED AT SQUARE DANCE

Mr. and Mrs. Earl Frady entertained a large number of their friends at a square dance at the home of Mr. and Mrs. G. T. Frady, honoring Miss Myrtle Frady of Washington, D. C. and Mrs. W. W. Clark, of Dertont, Mich. at Pisgah Forest Friday evening.

The house was attractively decorated for the occasion, a large quantity of Chrysanthemums and other cut flowers being used.

38 guests were present to enjoy the delightful occasion, and participated in the dance, the music for the occasion being furnished by the local string band.

GIRL SCOUTS ENJOY PARTY

(By Helen Galloway, Scribe)
The Girl Scouts had a party last Friday night at 8 o'clock at Helen Fullbright's home. The scouts enjoyed many games including "spinning the bottle," "Clap in, Clap out" and others. They danced, sang and did stunts, told stories, etc.

For refreshments they had cocoa, marshmallows and cookies and a pleasant time was enjoyed by all present.

The Girl Scouts had a picnic in the Scout room on account of rain. They intended to hike to Cooper's Hill for the picnic. On account of Captain Bill Aiken's absence the two patrol leaders, Jane Yongue and Emma Lee Loftis took charge and all had a fine time.

P. T. A. TO HOLD ANNUAL PICNIC

The Parent-Teachers Association will hold their annual picnic on Friday, October 21st at Rockbrook Camp. It is planned to leave the Grammar school here at 4 o'clock and supper is to be served at the camp at 6 o'clock.

LIBRARY TEA TO BE GIVEN FRIDAY, OCTOBER 28

On Friday, October 28 the United Daughters of the Confederacy will serve tea, with trimmings, at the Library, on the court house square.

The purpose of this tea is to secure books for the library, and the plan is to accept one or more books, not more than two years old, as admission fee.

The Library has no source of revenue with which to purchase new books except the dues paid in by subscribers and this is inadequate to supply the ever-increasing need.

There are many, no doubt, who have books purchased within the past year with which they have finished and which are as good as new for the purpose they may serve at the library.

Many of the books now on hand have been handled so much that they are completely worn and new or additional copies are needed.

When the Daughters of the Confederacy serve "eats" at the Chapter House ON THE SQUARE the people of Brevard and vicinity may know that there is "something doing."

There will be more about this in next week's issue. Watch for it.

SELICIA NEWS

Many of our citizens are wondering why our fair State could not have had Tax Exemption as an issue in the general election, as did the State of Texas. It's going to be too late soon as many of our folks have already expressed themselves, wishing they were in Texas now. A word to the wise is sufficient.

We are proud of our editors and their comment on the editorial page especially on the eighteenth amendment. Some of our folks favor repeal because the law can't be enforced. Choose ye this day whom ye will serve. If God be God, serve him; if Baal, serve him.

We hope Mr. Schwab was right in saying good times were just ahead, anyway we believe it.
Many of our backwoods folks came out to see the flooded valley, Monday, and watched French Broad take her toll with heavy hearts, knowing that thousands of bushels of corn and feedstuff were gone for all time, and all our labor was all in vain. But we are ready to try again, knowing that this is the way to success.

Hats off to Rev. Owenby, who drove from Balfour through the rain Sunday to fill his appointment at Catheys Creek.

Jeter Barton visited his son, Albert, who is spending some time with Mr. and Mrs. Geo. McKinna, Saturday night and Sunday.

Miss Mildred Whitmire, of the Connestee section, was a visitor of Miss Ruby Whitmire here last week.

Mint Barton and Alvin Fowler were callers on their Uncle and Aunt, M. and Mrs. Eli McKinna, of Lake Toxaway, last week.

Mr. and Mrs. David Orr are moving to the Gaines Farm, where Mr. Orr has been farming for a number of years.

We understand that Mr. and Mrs. Gilt Paxton, of Brevard, are going to occupy the house vacated by Mr. and Mrs. Orr. We are always glad to welcome good citizens into our community.

Tom and Robert McKinna were visitors of their cousins, Albert and Nellie McKinna, of the Cherryfield section Monday.

Due to the stormy weather we had the smallest attendance on record at the Union Sunday School.

CARD OF THANKS

We wish to thank our many good friends who were so kind to us during the illness and death of our dear baby, Billie Joe. Also for the beautiful floral offerings. May God bless each one of you.
MR. AND MRS. U. G. GEORGE.

speaking in Brevard Saturday evening.

Rev. John Sutton, of Cullowhee, spent one day last week with Mr. T. B. Reid.

Mr. Abe Lowe left Monday for Washington, D. C. where he will spend the winter in the Old Soldiers Home.

We understand that Mr. and Mrs. Jess Breedlove have moved into our community. We extend to them a most cordial welcome.

T. E. Reid, of Brevard, called on Clarence Norton Monday.

Sunday, Oct. 23, is our regular communion service at Lake Toxaway Baptist church and it is hoped that all members will be interested and feel it their duty to attend.

McCRARY WARNING ALL CAR OWNERS

Sudden Cold Spell May Find Motorist Unprepared.

"The wise motorist will see that he is not caught unprepared by a sudden cold snap," said Mr. Carl McCrary of McCrary Tire and Battery Service. "Fall weather is so changeable that even though you start out on a trip in fine weather, you may come back through sleet or snow; and then is when you need Non-Skid on your tires.

"Tires are so low in price now that it is impractical to risk life and property to run out the last mile.

Based on the present selling price, the last thousand miles in a 4.75-19 tire is worth only 43 cents. When you drive with smooth tires you are gambling 43 cents against your life and your family's. You may only need safe tires for one second of your life, but if that second comes while you are traveling 60 miles an hour—88 feet per second—safe tires mean life itself. The extra traction and safety Firestone tires was recently demonstrated on the salt beds near Salt Lake City, when Ab Jenkins drove a Firestone-equipped Pierce-Arrow car 2710 miles in 24 hours over a circular 10-mile course—an average speed of 112.91 miles per hour—breaking all existing world records.

"Fall should be the time for a general check-up of the car," continued Mr. McCrary. "The battery soon will be called upon to turn over a motor stiff from cold, and lights will be burning for longer hours. The generator charging rate should be advanced and the battery inspected to make sure there are no weak cells that might fail when you need them most. Spark plugs also need adjusting for hard winter starting, and radiator hose connections should be inspected so that you will not waste anti-freeze solution or alcohol.

"If the motorist checks his tires, battery, brakes, spark plugs and radiator hose, he can rest assured that he will have safe, trouble free winter driving."
