Is Life Worth Living?

That depends upon the Liver. If the Liver is inactive the whole sys-tem is out of order—the breath is bad, digestion poor, head dull or aching, energy and hopefulness gone, the spirit is depressed, a heavy weight exists after eating, with general despondency and the blues. The Liver is the housekeeper of the health; and a harmless, simple remedy that acts like Nature, does not constipate afterwards or require constant taking. does not interfere with business or pleasure during its use, makes Simmons Liver Regulator a medical perfection.

He Shaved For Greece. In the old days of Bangor there was a negro barber named Hansom, who was full of patriotism and love of liberty, and who warmly espoused the cause of the Greeks in their struggle with Turkey. His enthusiasm at last grew to such a pitch that he announced that he would devote a day to shaving for the benefit of the Greeks. The idea took, and custom ers flocked in by the scores, but when they offered payment the barber de clined.
