CANADA'S WINTER PORT. Carbor of St. John Has Not Been Free Over in Man's Memory.

The most important feature of the recent commercial history of St. John is its claim to the title of being the "winter port of Canada." Its ambition o secure this name is not of recen origin. It has been hoping and pla ulng for it for balf a century. Son forty years ago, or nearly ten years before the British provinces were united to form the present dominion, and before either of the great railroads, the Intercolonial or the Canadian Pacific, and been constructed to bring the widely separated provinces into communication with each other. the future of the city: "Looking at its position with regard to Lower Canada, St. John must yet become the winter port of the country. If its people will work for it, in a few years it will be certain to rise to a position where i

The first prediction of this proph St. John did finally become a winter port. There is no way of telling whether it will ever be "the Liverpool of America," or, if it is really going to put the other Atlantic ports out of usiness, just how many more years nd you are—and— is probably a question that the present me away," congeneration will not have to bother itself

telation. "I think that larly unkind of you to that manner of my relation of most to see you again—remise you"

"Ob, very well, then." Vancoust 1026 to say that Aunt was a shrowd business word business word the last to deny her that qualification. Cella," remarked Vancourt, a telly. "It was positively a stroke of genius the way the old reptille—later—lady palmed off on to me that property in Southwark. Fifteen houses, my dear, with only rudimentary drainage and a hungry County marked Vancourt easily. "I have been the construction of the great transcontinental enterprise, to Canadian Pacific Railroad was and its service of the provinces took place. Then the Intercolonial Palment of the great transcontinental enterprise, to Canadian Pacific Railroad was and it service of the prophets and its local."

"That is a question of opinion," remained the case and since the case, and since the case, and since the prophets are the construction of the great transcontinental enterprise, to can port. The construction of the great many years St. John's claim to importance was not taken very seriously by any one but her own tiken to importance was not taken very seriously by any one but her own tiken to importance was not taken very seriously by any one but her own tiken to importance was not taken very seriously by any one but her own tiken to importance was not taken very seriously by any one but her own tiken to importance was not taken very seriously by any one but her own tiken to importance was not taken very seriously by any one but her own tiken to importance and since the count and the last to deny her own taken with a man that local the prophets and the prophets and the case and since the count and the last to deny prophets and the case and since the count and the pro

tended down into my chest was all tended down into my chest was all gone, and my neck now seems to be perfectly well.

"About five or six years ago my sister had a similar experience. She had two large lumps come under her right arm, the result of a sprain. They grew rapidly, and our physician wanted to cut them out. I would not listen to it, and the tried would not listen to it, and the tried the Cuticura Remedies (as I did a few months ago) with magical effect. In six weeks' time the lumps had

In six weeks' time the lumps had entirely disappeared, and have never returned.

"I have great faith in the Cuticura Remedies, and I believe they might be as 'effloacious in similar cases with other people, and thus save much suffering, and perhaps life. I have derived so much benefit from the use of them myself that I am constantly advising others to use them. Re-

the use of them myself that I am constantly a dvising others to use them. Recently I recommended them to an office boy for his father, who was disabled with sait rheum. The man's feet were swollen to an enormous size, and he had not worked for six weeks. Two bottles of Cuticura Resolvent and two boxes for Cuticura Ointment worked a perfect cure. You naver saw a more grateful man in your life.

"I am very much interested in another cus where I have recommended Cuticura just now. My housemaid's mother has a gottre which had reached a rery dangerous point. The doctors told her rery dangerous point. The doctors told her that nothing could be done; that she could live

done; that she could live only two or three weeks, and that she would dio of strangulation. She was confined to her bed, and was unable to speak, when her daughter, at my suggestion, tried the effect of the Cuticura Cintment and Cuticura Resolvent. Strange to say, she was very shortly relieved of the most distressing symptoms. The swelling seemed to be exteriorized, and she is now able to be fround her house, and can talk as well as ever.

"My friends tried to persuade me to consult my physician; but dreading that he would insist on using the knife, I would not consent to go. Instead I got a small bottle of Cutienra Resolvent and a box of Cutienra Resolvent and a box of Cutienra Resolvent and a pread a thick layer of the Cintment on a linen cloth and placed it on the swelling. On renewing it I would bethe my neek in very warm water and Cutieura Soap. In a few days the Cutieura Cintment had drawn the swelling to a head, when it broke. Every morning it was opened with a large sterilized needle, squeezed and bathed, and fresh Cintment put on Pus and blood, and a yellow, cheesy, temorous matter came out. In about three or four weeks' time this treatment completely alliminated boil and tumor. The sorouses that had experitured a season of the conflict a season of the conflict and tumor.
