### EDITORIAL CORRESPONDENCE.

Wrightsville, July 1, 1903.

DEAR PRESS:—After some tribulation and worry we reached Wrightsville last night at 10 o'clock. On the way from Franklin to Dillsboro we got on very well till we struck the top of Cowee mountain, then we had mud, mud, mud the balance of the way. At Sylva we viewed the "petrified gentlemen" from Henderson county. We would have interviewed him, but it is a well known fact that he is non-communicative and non-committal on all occasions and persistently refused to give any account of himself as to his previous life and history.

We left Sylva on time and reached Asheville on good time.
