MRS. L. S. ADAMS.

Of California, Texas.
"Wife of Cardui is indeed a blessing to tired women. Having suffered for seven years with weakness and bearing-down pains, and having tried several doctors and different remedies with no success your Wife of Cardui was the only thing which helped me, and eventually cured me. I learned to hold up the weak parts, strengthen the system and correct irregularities."

By tired women: Mrs. Adams means nervous women who have throbbing masses, falling of the womb, ovarian troubles or any of those ailments that women have. They are cured by the use of this great "Wife of Cardui" remedy. Wife of Cardui Wine of Cardui has cured thousands of cases which doctors have failed to cure. Why not begin to feel better? All druggists have it for sale. For any stomach, liver or bowel disease. The "Wife of Cardui" should be used.

Mr. and Mrs. Fred Johnston will entertain Thursday evening July 16th, for Rev. and Mrs. Frank Siler of Asheville. The affair will be entirely informal and no invitations will be issued. The married friends are invited to call between the hours of 7 and 9:30 and the younger people later.

The people of our community had a very enjoyable day on the 4th, at the Oakdale school house. The programme for the day was as follows: Song, "America." Reading, "Declaration of Independence," by H. P. Ray; M. A. M. Sermon, by Rev. Jno. Brandie, Subject, "Liberty."

Afternoon: Song, "Coronation." Recitation, Old Flag, Miss Pearl Baldwin. Recitation, "Barbara Frenchie," Miss Jennie Wild. Song, Battle Hymn of the Republic. Address, "American Patriotism" H. P. Ray. Recitation, Miss Daisy Baldwin, "Washington."

Recitation, Liberty Bell, Miss Ella Wild. Closing Song, When the Roll is Called Up Yonder."

The exercises throughout the day were very entertaining. The young ladies did themselves credit in the nice way they delivered their pieces.

The able instruction, and in every way interesting discourse of Mr. Brandie was a rare treat to all who were present. Bro. Brandie was pastor of our church here several years ago and is a great favorite of the Burningtown people. He is easily one of our leading, most accomplished and powerful preachers in the Baptist ministry of Macon county.

Mr. F. D. Clarke, of Flint, Mich., has been on Burningtown for several days. He has a company of hands working the famous Paul Miller mica mine, which was formerly owned and operated for years by Mr. Charlie Bowers. Mr. Clarke has commenced the construction of a dam on the creek some distance from the mine where he expects to erect an electric plant for the purpose of operating the mine on a larger scale. Hand drills will be dispensed with and those used will be run by compressed air conveyed from the plant to the mine by a pipe. This pipe will be 4 and 1/2 mile in length and men will soon be joining in the work.

Miss Annie Carron, friend, Miss Mary Beattie both of Flint, Mich., and relatives of Mr. Clarke, have been stopping on Burningtown for several days and will remain here for several months. They are very much delighted with our country.

On last Tuesday evening between 5 and 6 o'clock our community had a remarkably heavy rain which did a great deal of damage to crops. For one hour the rain fell in torrents, until the fields were covered with running water. Preceding the rain there was a severe electric storm. The lightning struck twice near H. P. Ray's dwelling, the first time hitting the dairy house tearing the door from its hinges and knocking out one of the corner posts, a rafter and shiverer sons of the weather boarding, the other time it struck a large ash tree standing nearby.

Mr. F. D. Clarke left this afternoon on a business trip to Mich. He will return after ten days.

Mr. Alex and Thomas Wilson passed by here Tuesday on their way home from Franklin. Thomas' house on Briartown was broken into last Saturday night during his absence, by a thief who succeeded in nicking him out of \$91 in cash. The suspicious party was overhauled near Franklin and arrested, but nothing convicting was found and the accused was set at liberty. ELL.
