Editorial.

If it is a fact that the sins of a man follow his progeny, old father Adam must have been a "whizzer" in his day.

There are a great many professed Christians in the world, but unfortunately a large portion of them are counterfeits. -JOAB.

AN ISTHMIAN CANAL.

Manufacturers' Record.

An Isthmian canal seems now assured. By the ratification of the treaty with Panama by the step reveals stars still farther 25 the country has been committed to a recognition of a fact and which there can be no withdrawal. United States will be expected to few years the commerce of the nations shall be flowing through an Isthmian channel.

The long-continued efforts to pierce the narrow link of land er have been marked by financial bitter controversy between the advocates of the various proposed routes across the isthmus. In the tance of our north-pole-star, whose end the American Government has light darting through space at the sought a way out of the confusion, infinite speed of 186,000 feet per decided today to hold the annual killing of Frank Lesuer, a white \$1,232.08. just as American skill will find a path through the maze of engineering problems which will confront the constructors of the ca-
