NOTICE.

Dr. Frank T. Smith's Success.

Great Popularity of Plan to Sell Medicine at Half-Price and Guarantee a Cure.

F. T. Smith the enterprising druggist, rather than await the ordinary methods of introduction, urged the Dr. Howard Co., to secure a quick sale for their celebrated specific for the cure of constipation and dyspepsia by offering the regular 50c bottle at half-price. The wonderful success of this plan was a great surprise even to Dr. Smith and today there are scores of people here in Franklin who are using and praising this remarkable remedy.

So much talk has been caused by this offer, and so many new friends have been made for the specific, that the Dr. Howard Co., have authorized druggist Smith to continue this special half-price sale for a limited time longer.

In addition to selling a 50c bottle of Dr. Howard's specific for 25c, Dr. Smith has so much faith in the remedy that he will refund the money to anyone whom it does not cure.

When your head aches, your stomach does not digest food easily and naturally, when there is constipation, specks before the eyes, and bad taste
