THRONG OF BUYERS CONTINUE.

The people of Franklin and vicinity appreciate the great advantage Dr. Frank T. Smith obtained for them, in getting the Dr. Howard Co. to allow the regular 50 cent size of Dr. Howard's specific, for the cure of constipation and dyspepsia, to be sold at half price, 25 cents, and have bought hundreds of bottles.

Many orders have come by mail at this popular price, for it is very unusual to be able to buy sixty doses of a standard medicine for half price.

Every bottle of the specific sold by Dr. Frank T. Smith has had his personal guarantee to refund the money if it was not satisfactory, but none has come back, showing the wonderful curative power of this remedy.

Unlike ordinary medicines for constipation and dyspepsia, the dose of Dr. Howard's specific is reduced after a few days use, and the cure is soon complete and lasting.

In New York city the specific is very popular, and many a club man finds he can eat what he wants and when he wants, if he takes a dose of this.
