Forty-seven applicants were examined last week for license to teach in the public schools of the county—forty-five white and two colored. Female teachers were largely in the majority. We heard some saying the examination was easy and others complained that it was pretty difficult. As there will be between sixty and seventy public schools to be taught in the county, it seems that a number of teachers will have to be imported especially if a number of those who were examined fail to get grades which will probably be the case.

KIDNEY DISEASES CAUSE ONE-THIRD OF THE TOTAL DEATHS. When the Kidneys fail to perform their functions properly by not straining out the poisonous waste matter from the blood as it passes through them, the poisons are carried by the circulation to every part of the body, deranging the different organs. This causes heart trouble, stomach trouble, sluggish liver and a host of other ills, all due to deranged Kidneys. FOLEY'S KIDNEY CURE corrects irregularities and cures Kidney and Bladder diseases in every form, tones up the whole system, and the diseases that have resulted from disordered Kidneys disappear, because the cause has been removed. Commence taking FOLEY'S KIDNEY CURE at the first sign of danger. Do not risk having Bright's Disease or Diabetes. Two Sizes, 50 Cents and \$1.00. SOLD AND RECOMMENDED BY FRANK T. SMITH

Why Country Editors Get Rich.

After a good deal of study and work we have at last "figured" out why so many country editors get rich, says an exchange. Here is the secret of success: A child is born in the neighborhood of the attending physician gets \$10; the editor gives the long-hungry youngster and the "happy parents" a sendoff and gets \$1. It is christened; the minister gets \$1 and the editor gets \$10. It grows up and marries; the editor publishes another long-winded flowery article and tells a dozen lies about the "beautiful and accomplished bride"; the minister gets \$10 and a piece of cake, and the editor gets \$100. In the course of time it dies, and the doctor gets from \$5 to \$100, the minister perhaps gets another \$15, the undertaker gets from \$25 to \$50; editor publishes a notice of the death and an obituary two columns long, lodge and society resolutions, a lot of poetry and a free card of thanks and gets \$30,000. No wonder so many country editors get rich.—Ex.
