Stop, Look and Listen.

The Southern Division Singing Convention of Macon County met with the Newman Chapel Church at Tryphosa, N. C., August 8th, and continued through the 10th.

There were only four different choirs present, viz:

Newman Chapel choir, Director, J. M. Holt.

Pine Grove Choir, Director, Oscar Corbin.

Flats of Middle Creek choir, Director, Ernest Vincent.

Pleasant Hill was also present, but the writer didn't learn their choir director's name.

There were several visitors present, including Geo. W. Sebren.

Each class did fine singing, but we were compelled to give Ernest Vincent, choir director from Flats of Middle Creek, the "Blue Ribbon."

The Flats is a young choir, also this is their first attempt to sing in the convention. The convention should be proud of this new choir and try to keep them in the convention, for we feel sure that they will win the "Blue Ribbon" next year if they will only try.

The convention will meet again August 8th, 1925, with the Pine Grove Choir, 10 miles east from Franklin, N. C.

Everybody who attended the convention at Newman Chapel reported a splendid time, and they are all planning to attend the convention at Pine Grove.

SLEEPLESSNESS

Virginia Lady Says That Many of Her Long-Suffered Ills Have Fled Since She Took Cardui.

Bristol, Va.—"I can sleep good at night now, something I have never done before in my life," says Mrs. Deala Hawks, of 712 Prospect St., this city, "and it is due to Cardui."

"I was always nervous and tossed when I should have been asleep, but since I took Cardui it has strengthened me, and my general health is so improved that many of the ills from which I have suffered for years have fled."

"I used to go to bed tired and, when I would get up in the morning, I was still tired. Now I feel like doing a day's work in my garden or in the house, and I owe all this good health to Cardui, for I had suffered for years until I took it."

"I had had female trouble for years and once, for six months, I was flat on my back. I am glad to recommend to other women a medicine which has helped me."

If you are nervous and run-down in health, suffering as Mrs. Hawks describes above, it is probable that Cardui will greatly help you. Try it.

Carey
READY ROOFINGS

Workmen instantly recognize its quality

A WORKMAN can recognize Carey roofing after the wrapper from the roll is thrown away.

Compared with roll goods of equal weight, there is a toughness that distinguishes the Carey product.

It is the quality in the felt that not only makes it rougher, but causes it to absorb more asphalt saturant.

To insure superior felt, rags are sorted right in the Carey plant, and all felt used in Carey roofing is made according to Carey tested specifications in the Carey factory.

It is only natural that this tougher, better saturated roofing should give the longer service for which it is famous.
